44302 2012-2014 Focus Electric, 2013 C-MAX Energi, 2013-2014 Fusion Energi - EV Range Display After Charging

The EV Range being displayed after fully charging a 2012-2014 Focus Electric, 2013 C-MAX Energi or 2013-2014 Fusion Energi may vary after each charging even. EV Range is similar to the Distance To Empty feature on a conventional gasoline vehicle and is based upon how the vehicle was driven prior to charging the battery. Factors such as terrain, mild/aggressive acceleration or braking, city or highway driving, and use of accessories such as headlamps, heating and air conditioning all contribute to the variation in the EV Range that is available and displayed.
