2014 Fusion/MKZ - HD Radio Inoperative - Vehicle Built On 9/23/2013 and Through 11/5/2013

Some 2014 Fusion Titanium/MKZ vehicles built on 9/23/2013 and through 11/5/2013 may exhibit the High Definition (HD) radio inoperative with all other radio functions working normally. Engineering is aware and this concern is currently under investigation. No repairs should be attempted at this time. Please continue to submit Global Concern Reports for the affected vehicles and monitor OASIS for updates.
