GROUP	NUMBER
AUTOMATIC TRANSMISSION	13-AT-004
DATE	MODEL
FEBRUARY 2013	Accent (RB)

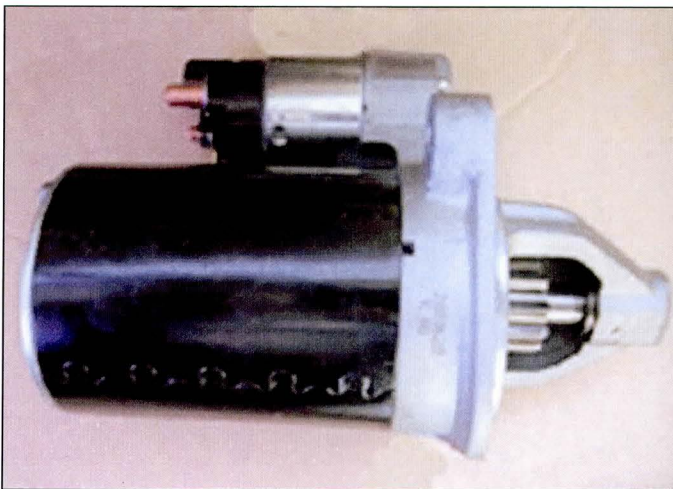

SUBJECT: AUTOMATIC TRANSAXLE STARTER GEAR NOISE

Description: After installing a new or remanufactured automatic transaxle, confirm the starter is the correct part number to engage the torque converter ring gear. If the starter is mismatched to the torque converter, a gear grinding noise may occur.

Applicable Vehicles:	Model Years	Model
	2012 ~	Accent (RB)
