STOP DELIVERY ORDER

Effective immediately, stop the delivery of certain 2013-2014 model year Chevrolet Cruze vehicles. The attached list provides the Vehicle Identification Number (VIN) of each involved vehicle. It is sorted by dealer Business Associate Code (BAC) for easy reference. If your dealership's BAC is not listed, then none of the involved vehicles are currently assigned to you and no further action is required.

All 2013-2014 model year Chevrolet Cruze vehicles that are in dealer inventory and listed in the attached file must be held and not delivered to customers, dealer traded, or used for demonstration purposes until further instructions are received.

All other 2013-2014 model year Chevrolet Cruze vehicles in dealer inventory that are not on the involved VIN list are not restricted from sale or delivery.

Instructions for releasing the involved vehicles from this stop delivery will be provided in the near future.
