

Subject

2013 Scion xB: Shift-Lock Override Cover Location

Market

USA

Service Category

General

Section

Pre-Delivery Service

Applicability

xB

APPLICABLE VEHICLES

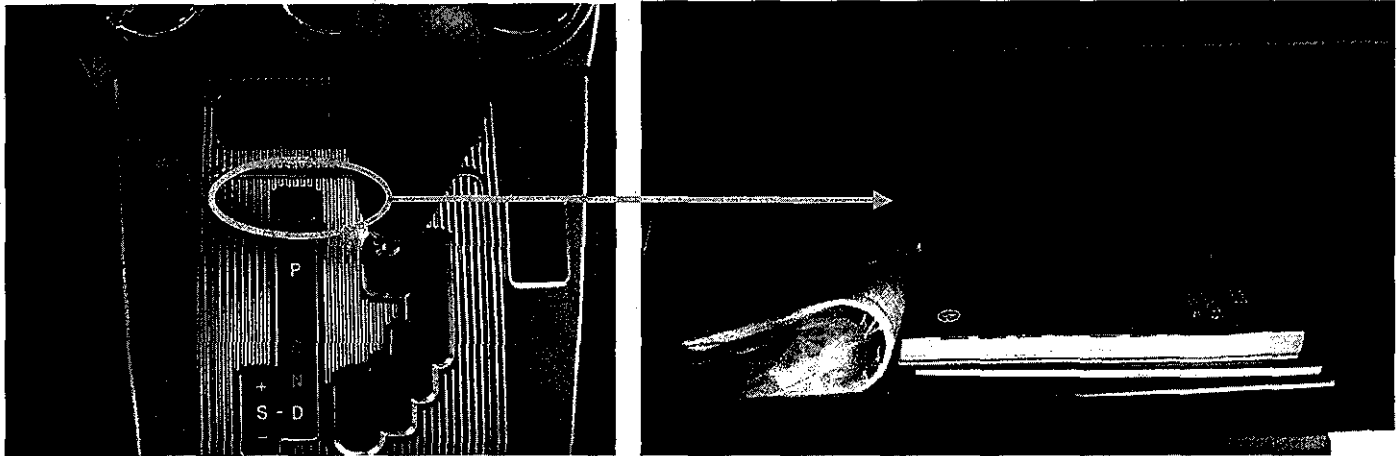

2013

xB

CONDITION

The purpose of this Tech Tip is to help identify the shift-lock override cover location when performing Pre Delivery Service (PDS).

The shift lock override cover is typically attached to the shifter, for the xB however, the cover is located in the glove box.
