

Service Bulletin

File in Section: -

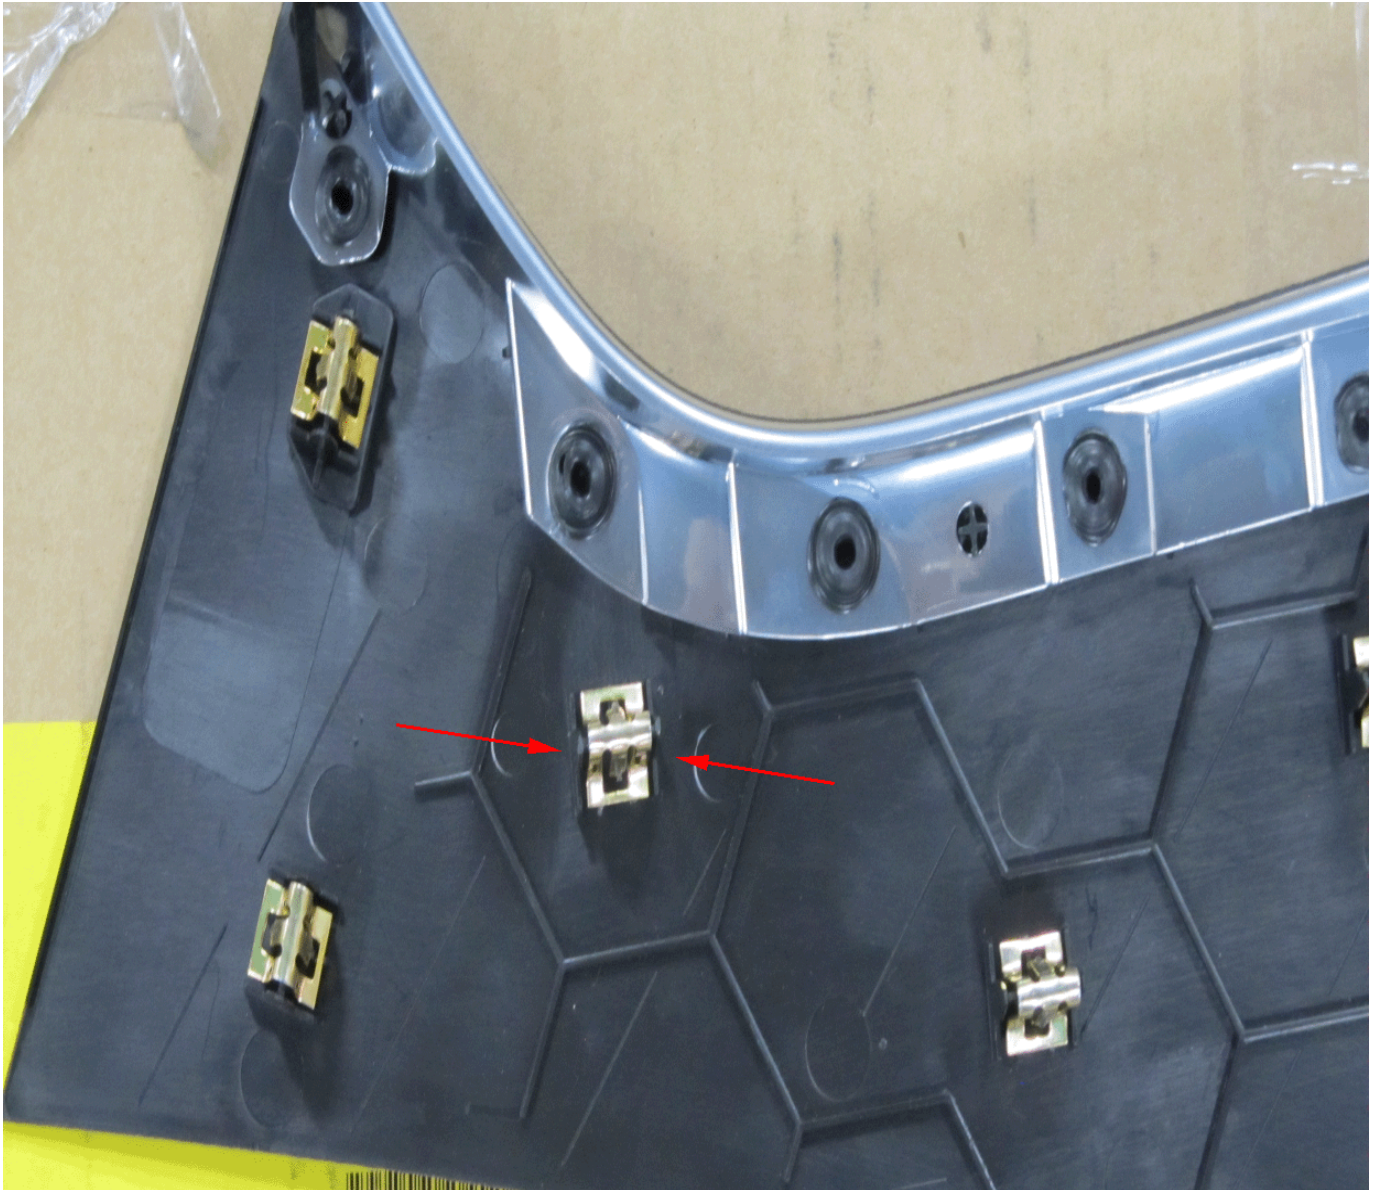

Bulletin No.: PI1142

Date: December, 2013

PRELIMINARY INFORMATION

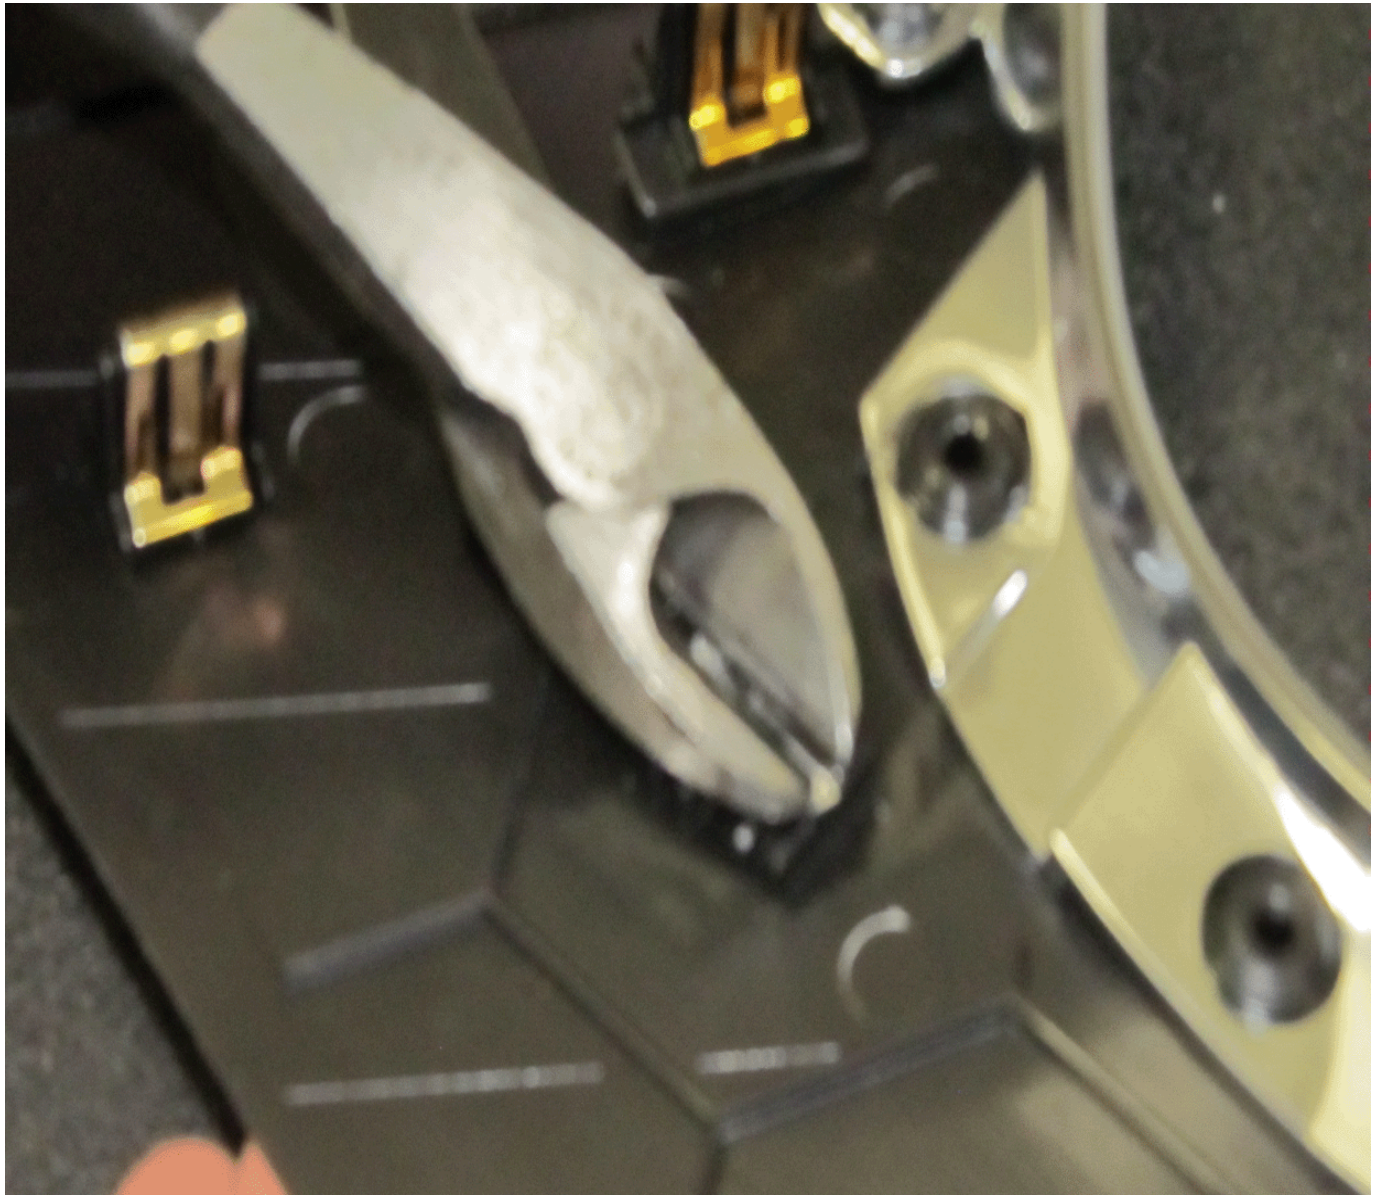

Subject: Front Floor Console Extension Side Panel Change

Models: 2014 Chevrolet Impala
Vehicles Built Prior to November 1, 2013

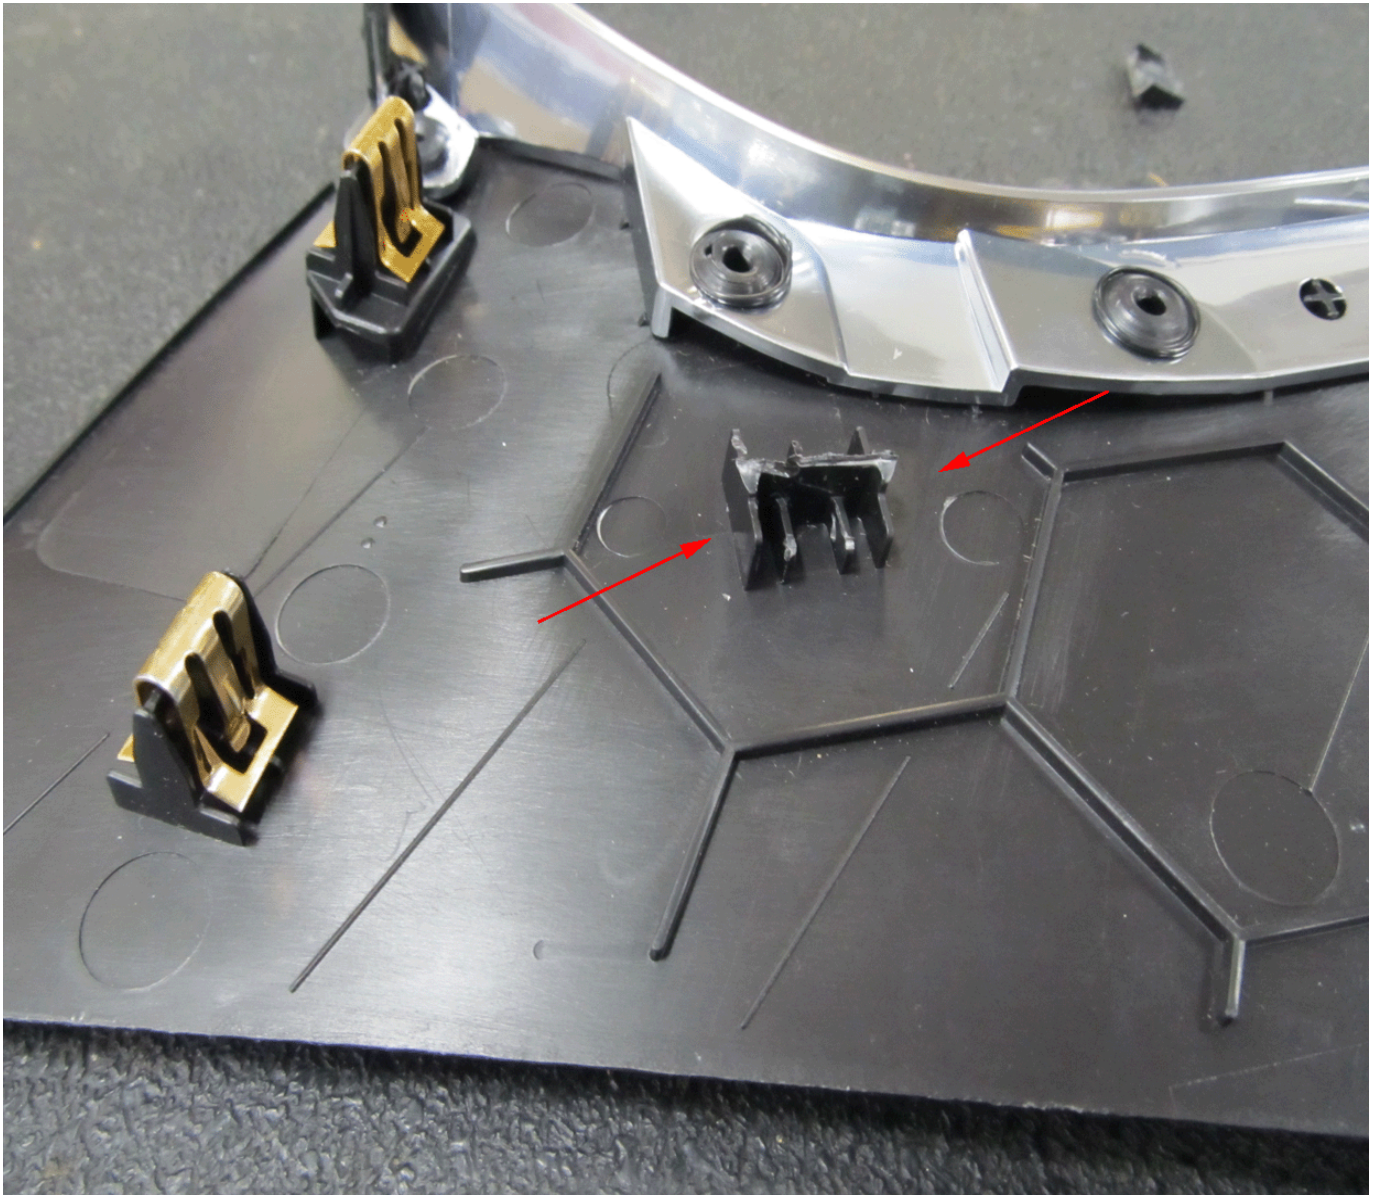

3670485

The purpose of this PI is to inform the technician that when replacing the front floor console extension side panels, the new panels come with an additional clip tower, shown in the illustration above, that needs to be modified for vehicles built prior to the date listed above.

3670490

3670496

Cut the clip tower using a pair of wire cutters as shown in the illustration above.
