Service Category <b>Steering</b>	Section <b>Steering Gear/Linkage</b>	
Applicability <b>2006-2008 RAV4</b>		

APPLICABLE VEHICLES	
2006-2008	RAV4

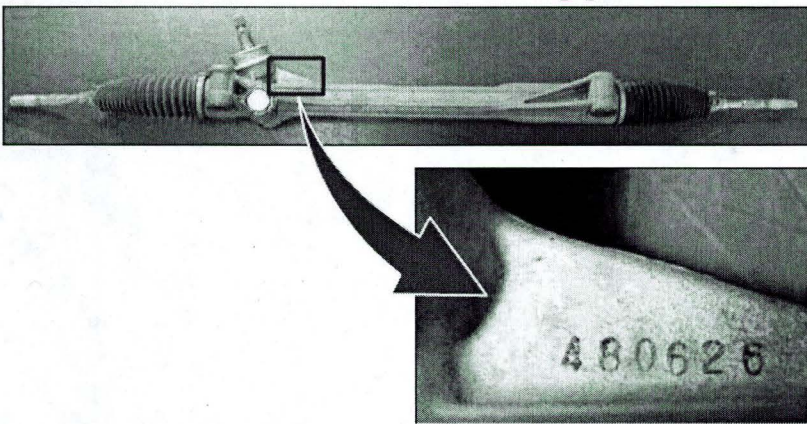

**CONDITION**  
While performing T-SB-0318-08, this document should be used to help supplement which parts to order ***prior to performing the repair.***

**RECOMMENDATIONS**

Customer experiences a clunk, pop, or knock-type noise when turning the steering wheel left or right on a 2006-2008 RAV4

Refer to T-SB-0318-08, Confirm vehicle falls within VIN range

Confirm date code on steering gear

To ensure proper ordering of the service part, confirm the date stamp marking on the steering gear installed in the vehicle and verify if it was produced ON or BEFORE 4/12/2010 by using the legend below:

DATE CODE LEGEND		YEAR	MONTH	DAY
Example:	4	8	06	26
Steering Gear Production Date:	-	2008	June	26

Please refer to the T-SB-0318-08 for more detailed information
