Dear Valued Starcraft RV Owner:

Starcraft has determined certain Model Year 2014 and 2015 AR-ONE travel trailers require inspection and possible repair to the sofa base top. The top of the sofa base may be loose when it should be screwed closed to prevent storage of items around the furnace.

Our records indicate that your Recreational Vehicle is affected by this service bulletin. Please contact the nearest Starcraft dealer to schedule an appointment and present this letter to the servicing Dealer as authorization to have the procedure completed. This procedure will be performed at no cost to you.

The coverage period for this Technical Service Bulletin is for one (1) year from the release of this notification. If you have sold or traded your vehicle, or for any reason cannot have this service performed, please contact the Starcraft Customer Service Department at 800-945-4787.

We apologize for any inconvenience this may cause. However, we are confident that this improvement will offer continued satisfaction with your Starcraft camping trailer.

Sincerely,
