Subject: T680 Fuel Tank Cross Brace Interference with Tank

Dear Kenworth Customer,

Kenworth has determined that the fuel tank cross brace installation on your vehicle did not meet our quality standards. The fuel tank cross brace may interfere with the fuel tank.

The chassis numbers listed by VIN on this letter require repair by an authorized dealer. We would like the opportunity to perform this repair. Please contact a Kenworth dealership to schedule an appointment for this work. You can find the nearest Kenworth dealer at Dealer Locator on the website www.Kenworth.com.

When contacting your selected Kenworth dealer, refer to campaign TIB **14-024** and the VIN listed on this letter. The repair will take approximately 1 hour and there will be no charge to you if completed within Standard Warranty (excludes Extended Warranty) or for repairs completed by **03/12/2015**, whichever is greater. We apologize for this inconvenience but ask for your cooperation to ensure continued satisfaction with Kenworth products.

Thank you,
