Coolant Hose Clearance LIMITED SERVICE CAMPAIGN

[VIN]

Dear Toyota Owner:

At Toyota, we are dedicated to providing vehicles of outstanding quality and value. As part of our continuing efforts to provide superior customer satisfaction, Toyota is announcing a Limited Service Campaign, which includes your vehicle.

You received this notice because our records, which are based primarily on state registration and title data, indicate that you are the current owner. If you are a vehicle lessor, please assist us by forwarding this notice to the lessee.

What is the condition?

Two coolant hoses attached to the heating system water pump could be incorrectly positioned allowing the steering intermediate shaft to contact the hose(s). If this occurs, the coolant hose(s) could become damaged over time, and a coolant leak could occur.

What is included in the Limited Service Campaign?

Any authorized Toyota dealership will inspect the coolant hoses at **NO CHARGE**. If the clearance is less than specified, the coolant hose(s) will be adjusted or replaced at **NO CHARGE** to you.

This Limited Service Campaign will be available until June 30, 2017, and will only be available at an authorized Toyota Dealer.

This offer is limited to your specific vehicle whose Vehicle Identification Number (VIN) is printed at the beginning of this letter and is subject to the same conditions set forth in the New Vehicle Limited Warranty section of your Owner's Manual Supplement or Owner's Warranty Information booklet. For additional information, please refer to the booklet.

How do you take advantage of this Limited Service Campaign?

Please contact an authorized Toyota dealer and make an appointment to have this remedy performed before **June 30, 2017**.

Inspecting, and adjusting if necessary, the coolant hose to intermediate shaft clearances will take approximately 30 minutes. If either hose is damaged, replacing the coolant hoses, which is part of the heating system water pump, will take approximately 3 hours. However, depending upon the dealer's work schedule, it may be necessary to make the vehicle available for a longer period of time.

If your vehicle is covered by this Limited Service Campaign, you do not need this owner letter to have the campaign completed; however, to assist the dealer in confirming vehicle eligibility, we request that you present this notice at the time of your service appointment.
