Securing of Exhaust Components & Tip

June 11, 2014

Re: Update of Build Dates for Involved Units, Original Notice had Incorrect Dates Listed

Dear Tiffin Customer,

It has come to our attention that certain units built between **March 10, 2014** and **May 14, 2014** may not have the exhaust pipe components and tip completely secured. We are asking that you take your unit to one of our dealers or a service center of your choice to have this repair completed. There are no parts being sent.

We regret any inconvenience this action may cause, but feel certain you understand our interest in motor vehicle safety.

Thank you,

Tiffin Motorhomes, Inc.
