SUBJECT: Retail Hold - Immediate Action Required - Some 2015  
Sonata

Effective immediately, the initial production of 1,800 2015 Sonatas manufactured prior to May 24, 2014 should not be driven or delivered to retail or fleet customers until a service action has been completed. Full details on the specifics of the service required on the vehicles will be provided shortly. Until that information is received and the actions completed, vehicles must remain on dealership lots and should not be driven.
