SUBJECT: 2014 MAZDA6 2.5L - CANISTER REPLACEMENT FOR RECALL 7414D

If you are ordering a canister for Recall 7414D and are unsure which canister to order, please refer to GEPC (Global Electronic Parts Catalog) using a VIN or refer to Warranty Emissions Job Aid under the Reference Tab in the Warranty section of MXConnect (link below). This has a listing of the states which PZEV emissions vehicles are sold in.

https://portal.mazdausa.com/dealershome/service_parts/warr_emission_job_aid.pdf

There are a very limited number of states that sold PZEV vehicles and not all vehicles in a PZEV Emissions state have PZEV emissions.

If after reviewing this information you feel that part number PY1F-13-96Z (Canister for PZEV) is not the correct part to stock at your dealership, please submit a 45-day return request for an MRA number. Any returned stock must be in saleable condition. Once you receive return authorization please contact claims@mazdausa.com to have the handling fees waived. Mazda will waive the handling fees for returns made within thirty days from the release of this Parts Flash.
