STOP DELIVERY ORDER

Effective immediately, stop the delivery of certain 2014 model year Chevrolet Camaro vehicles equipped with a 3.6L engine (LFX) and 6 speed automatic transmission (MYB).

The attached list provides the Vehicle Identification Number (VIN) of each involved vehicle. It is sorted by dealer Business Associate Code (BAC) for easy reference. If your dealership's BAC is not listed, then none of the involved vehicles are currently assigned to you and no further action is required.

All 2014 model year Chevrolet Camaro vehicles equipped with a 3.6L engine (LFX) and 6 speed automatic transmission (MYB) that are in dealer inventory and listed in the attached file must be held and not delivered to customers, dealer traded, or used for demonstration purposes until further instructions are received.

All other 2014 model year Chevrolet Camaro vehicles in dealer inventory that are not listed in the attached file are not restricted from sale or delivery.

We expect instructions for releasing the involved vehicles from this stop delivery to be available on January 18, 2014.

Please do not call GM Technical Assistance.
