---

Effective immediately, the Stop / Start battery used in the 2014 & 2015 Crosstrek Hybrid models should be ordered through the Interstate Battery program under PN SOA821B500. The process related to ordering and core pick-up / credits will work exactly the same as it does for existing batteries in the program. For more information regarding the Subaru Interstate Battery program, dealers can visit [Subarunet / Fixed Ops / Parts policies and procedures / Genuine Subaru Batteries](#).

The Stop / Start Battery is covered by the Basic New Car Limited Warranty of 3 years /36,000 miles. This battery is not eligible for warranty cost proration and no other warranty coverage applies to this battery.

**Important:** Due to the expected slow movement of this Battery and the required on-shelf maintenance, we recommend dealers not stock this battery and only order as needed.
