

TO: All Subaru Retailers  
FROM: Subaru of America, Inc.  
Service Department  
DATE: July 16, 2014  
SUBJECT: 2015 Legacy & Outback Special Service Tools and Equipment

Starting the week of July 14, 2014, Subaru retailers will receive an additional special service tool for the 2015 Legacy and Outback:

	J-51658	<b>Engine Support Bridge Adapter</b> Allows the front of the previously shipped Engine Support Bridge (J-50135) to slot into the mounting points on the 2015 Legacy and Outback.
--	---------	---

The cost of this tool is included in the previously-shipped first wave of tools and equipment for the 2015 Legacy and Outback. It should arrive at all Subaru stores between 7/14/14 – 7/18/14.

The following tools and equipment will be shipped towards the end of the summer:

- Radar Reflector
- Radar Reflector Stand
- Subaru Leak Detection System
