This Bulletin is a notice of extension to program **P259 Genset Fuel Filter Bowl**, which was scheduled to end on January 31, 2014.

For a complete listing and description of units that are covered by this bulletin refer to the Container Information Center within Transcentral at: www.container.carrier.com
Reference Service Bulletin CTR-GSER13-001 dated September 16, 2013.

This program has been extended through December 31, 2014.

Claims for this program should be submitted through the normal warranty process and procedure.

As with all field programs the following steps should be taken when processing these claims.

- a) In the Primary Part field, enter Program code P259 (enter as shown, Do Not Use Dashes between the letter and number).
- b) In the second part enter the gasket part number.
- c) In the Condition and Cause field, enter "P259 Genset Fuel Filter Gasket".
- d) In the labor field, enter 0.5 Hour.

Note: Warranty programs (i.e. P259) are exclusive of any other warranty issues. Combining warranty issues will cause rejection of the warranty claim.
