**Title: Hood Hinge on 2007 Paystars****Applies To: 2007 5500, 5600 and Paystar****DESCRIPTION**

5500 and 5600 model Paystars built in 2007 may experience an interference between the set screws and the hinge leaf within the hood hinge.

To remedy this, replace the two set screws with shorter ones; part number 26585R1. These shorter set screws will provide enough clearance between the moveable portions of the hood hinge.
