RE: 2002 Odyssey Replacement Passenger Airbag Inflator Does Not Fit

Print this iN message, and provide a copy to the Service Manager, Service Advisors, and Parts personnel.

Dear Service and Parts Managers,

Service Bulletin 14-040, Safety Recall: Front Passenger's Airbag Inflator Can Be Over-Pressurized, does not have the correct replacement inflator part number listed for the 2002 Odyssey.

The correct part number for the 2002 Odyssey is 04785-S0X-307. Please advise all of your parts and service personnel of this information.

The Service Bulletin will be updated with the correct parts information as soon as possible.
