

Volkswagen of America, Inc.

Warranty Quick Reference Guide

Introduction

Based on the input received from your dealership's Service Personnel, Volkswagen of America has created this Warranty Quick Reference Guide. This guide is intended to summarize frequently referenced warranty information with the hope that it will assist you in your everyday business. Welcome to the Volkswagen Warranty Quick Reference Guide!

Warranties at a Glance

Overview of New Vehicle Warranties

Overview of Warranties Model Year 2006 - 2015				
New Vehicle Limited Warranty MY 2009 - 2015	12 volt original equipment battery 2/24	3/36*		
New Vehicle Limited Warranty MY 2006 - 2008	4/50			
Powertrain Limited Warranty MY 2011 - 2015	All models except Touareg 5/60		Touareg 10/100	
Powertrain Limited Warranty MY 2006 - 2010	5/60			
Hybrid System Limited Warranty	certain hybrid system parts 8/100			
High-Voltage System Limited Warranty (e-Golf only)	certain high-voltage system parts 5/60	high-voltage battery (defects in material and workmanship and net capacity loss below 70%) 8/100		
Limited Warranty Against Corrosion Perforation	12/unlimited**			
Federal Emissions Warranty (not applicable for e-Golf)	certain emission parts 2/24	catalytic converter and particulate filter, E.C.M, onboard emission diagnostic device 8/80		
California Emissions Warranty (not applicable for e-Golf)	any emission related part 3/50	specific control devices 7/70	specific control devices 8/100***	PZEV / AT-PZEV 15/150****
Extension Warranties	--- various coverage ---			
Parts and Accessories Limited Warranty	1/12			

* 3/36... 3 years or 36,000 mi, whichever occurs first

** excludes Routan which is covered for 3/unlimited for all sheet metal panels and 5/100 for outer-body sheet metal panels

***2009, 2010, 2012, 2013, 2014 Routan only

****10/150 for high-voltage batteries in PZEV / AT-PZEV hybrid models

New Vehicle Limited Warranty

New Vehicle Limited Warranty	Model Year	Model	Duration*	
			Years	Miles
USA	2009 - 2015	All models except Winnebago Rialta, Winnebago Vista, Itasca Sunstar	3	36,000 mi**
USA	2006 - 2008	All models	4	50,000 mi

*whichever occurs first

** 12 volt original equipment battery covered 2 years/24,000 miles, whichever occurs first

Powertrain Limited Warranty

Powertrain Limited Warranty	Model Year	Model	Duration*	
			Years	Miles
USA	2011 - 2015	All models except Touareg	5	60,000 mi
	2011 - 2015	Touareg	10	100,000 mi
USA	2006 - 2010	All models	5	60,000 mi

*whichever occurs first

Coverage

- ▶ **Engine:** cylinder block and all internal parts, cylinder head and all internal parts, valve train, spur belt, flywheel, oil pump, water pump, intake manifold, related seals and gaskets.
- ▶ **Transmission:** case and all internal parts, torque converter, seals and gaskets, transmission E.C.M.
- ▶ **Drivetrain:** differential and all internal parts, driveshaft and constant velocity (C.V.) joints.

Hybrid System Limited Warranty

Hybrid System Limited Warranty	Model Year	Model	Duration*	
			Years	Miles
USA	2011 - 2015	Touareg Hybrid	8	100,000 mi
	2013 - 2015	Jetta Hybrid		

*whichever occurs first

Coverage

- ▶ High-voltage battery (including protective box)
- ▶ Battery energy control module
- ▶ Battery cooling system (including battery fans, housing, and air induction vents)
- ▶ Hybrid electric motor
- ▶ Hybrid electric motor clutch
- ▶ Hybrid electric motor clutch actuator
- ▶ Power electronics (inverter and converter)
- ▶ High-voltage cables (including connection boxes, safety plugs, and pilot line cable system)
- ▶ Electronic control module (ECM)
- ▶ Electric A/C compressor*
- ▶ Power steering system (including pump and control module)
- ▶ Electric transmission oil pump (including control module)

Hybrid components can only be serviced by a certified Volkswagen Hybrid Specialist.

* Touareg Hybrid vehicles only

High-Voltage System Limited Warranty (E-Golf Only)

High-Voltage System Limited Warranty		Model Year	Model	Duration*	
				Years	Miles
USA	Certain high-voltage system parts	2015	e-Golf	5	60,000 mi
USA	High-voltage battery (The high-voltage battery is covered for defects in material and workmanship and for net capacity loss below 70%.)	2015	e-Golf	8	100,000 mi

*whichever occurs first

Coverage

- ▶ **High-voltage battery**
The high-voltage battery is warranted for 8 years or 100,000 miles, whichever occurs first, for defects in material and workmanship and for net capacity loss below 70%. The battery net capacity coverage includes any repairs needed to return battery net capacity to a level of 70%. Coverage may not return the high-voltage battery to an "as new" condition with 100% net capacity, but it will provide the vehicle with a net capacity level of at least 70%. Gradual reduction in battery net capacity over time is integral to the nature of the components and does not represent a defect under the terms of this warranty, as long as the reduction in net capacity is not in excess of 30%. The warranty on the high-voltage battery does not apply if a defect has been caused by the battery not being used, handled or maintained as described in the owner's manual.
- ▶ Power electronics, which consists of the DC-to-DC converter and pulse inverter
- ▶ Electric motor
- ▶ High-voltage air conditioning
- ▶ High-voltage heating
- ▶ Charger for high-voltage battery
- ▶ Charging socket for high-voltage battery
- ▶ Orange high-voltage cables and connectors

High-voltage components can only be serviced by a certified Volkswagen High-Voltage Specialist.

Limited Warranty Against Corrosion Perforation

Model Year		Model	Duration*	
			Years	Miles
2009 - 2014	Routan	All Sheet Metal Panels	3	unlimited
		Outer-Body Sheet Metal Panels – one that is finish-painted and that someone can see when walking around the vehicle	5	100,000 mi
2009 - 2015	Tiguan		12	unlimited
2007 - 2015	Eos		12	unlimited
2006 - 2015	Passat, CC, GTI, Rabbit, Golf		12	unlimited
2005 - 2015	Jetta		12	unlimited
2004 - 2015	Touareg		12	unlimited
2004 - 2006	Phaeton		12	unlimited
1998 - 2015	Beetle, Beetle Convertible		12	unlimited
1999 - 2009	Golf (A4), Jetta (A4)		12	unlimited
1998 - 2005	Passat (B5)		12	unlimited
2000 - 2003	Eurovan		8	unlimited
1999 - 2002	Cabrio		6	unlimited
1997 - 1999	Golf (A3), Jetta (A3)		6	unlimited
1995 - 1997	Passat (B4)		6	unlimited
1995 - 2005	Winnebago Rialta	N/A	N/A	
2002 - 2003	Winnebago Vista			
2002 - 2003	Itasca Sunstar			

*whichever occurs first

Covered Repairs

- Body sheet metal panels that have been perforated by rust except as noted under exclusions.
Corrosion repairs must be pre-authorized. Verification of warranty coverage is obtained by completing the Warranty Repair Acceptance Process on WISE (in the Operations section), with the following exceptions:
 - Corrosion issues addressed through an applicable technical bulletin, or
 - Corrosion repairs under 50 time units

Use damage code 0003. For corrosion claims within the NVLW period use claim type 110; for claims outside of the NVLW period use claim type 160.

Emissions Warranty

Federal Emissions Warranty

Federal Emissions Warranty**	Model Year	Model	Duration*	
			Years	Miles
Certain emission parts	1996 - 2015	all models	2	24,000 mi
Catalytic converter and particulate filter, E.C.M. (powertrain control module – Routan), Onboard emission diagnostic device	1996 - 2015	all models	8	80,000 mi

*whichever occurs first

** not applicable for e-Golf

California Emissions Warranty

California Emission Warranties**	Model Year	Duration*	
		Years	Miles
Any emission related part	1994 - 2015	3	50,000 mi
Specific control devices	1994 - 2015	7	70,000 mi
Specific control devices (Routan only)	2009, 2010, 2012, 2013, 2014	8	100,000 mi
Only California Partial Zero Emissions Vehicles (PZEV) / Advanced Technology Partial Zero Emissions Vehicles (AT-PZEV); any emission related part ***	2003 - 2015	15	150,000 mi

*whichever occurs first

** not applicable for e-Golf

***10/150 for high-voltage batteries in PZEV / AT-PZEV hybrid models

Warranty Extensions

Volkswagen Limited Extension Warranties	Country	Model Year	Model	Engine	Years (Whichever Occurs First)	Miles
Driver and passenger door front window regulator mechanical malfunction limited warranty extension	USA	1999 - 2005	Golf, GTI, R32	All		
		1999 - 2005	Jetta*	All	7	unlimited
			*For MY 2005 Jetta vehicles, only the A4 Jetta (model code 9M or 1J) is covered			
Ignition switch limited warranty extension	USA	1998 - 2005	New Beetle Sedan	All		
		1996 - 1997	Passat, Jetta	All	8	100,000 mi

	1740	Oil Cooler
	1750	Oil Pan
	1751	Oil Pan Gasket
Engine: Cooling System, Misc.		
Service Number	Description	
	1950	Coolant Pump
	1951	Coolant Pump Gaskets
	1955	Thermostat Housing
	1957	Impeller Housing
	1958	Thermostat
	1960	Flange/T-Piece
	2045	Fuel Pump (tandem)
	2130	Turbocharger
	2329	Injection Pump (diesel)
	2338	Unit Injector
	2340	Injector
	2374	High-Pressure Pump (diesel)

Powertrain Service Numbers		
	2380	Intake Manifold (diesel)
	2434	Throttle Valve
	2440	Injector
	2447	Intake Manifold (gas)
	2463	High Pressure Pump
	2609	Exhaust Manifold Gasket
	3037	Clutch Operating Shaft
	3043	Push Rod Seal/Bushing
	3060	Multiple Clutch DSG
Torque Converter		
Service Number	Description	
	3247	Torque Converter Oil Seal
	3250	Torque Converter
	3251	Torque Converter Bushing (082687)
Manual Transmission Controls and Transmission Case		
Service Number	Description	
	3430	Balance Weight
	3435	Manual Trans
	3436	Gear Carrier
	3437	Transmission Housing
	3444	Selector Shaft Cover
	3445	Shift Housing
	3446	Shift Housing Gasket
	3447	Selector Shaft Bushing (04*27*90)
	3448	Selector Shaft Seal
	3449	Cover (091887)
	3450	Gear Carrier
	3451	Gear Carrier Gasket

Powertrain Service Numbers		
	3460	Mechatronics Cover
	3474	Oil Cooler
	3480	Timing Hole Cap
Manual Transmission Gears and Shafts		
Service Number	Description	
	3504	1st – 4th Gear Output Shaft
	3505	1st – 4th Gear Shaft, Front Bearing
	3506	1st – 4th Gear Shaft, Rear Bearing
	3507	5th/6th/Reverse Gear Output Shaft
	3508	5th/6th/Reverse Gear Shaft, Front Bearing
	3509	5th/6th/Reverse Gear Shaft, Rear Bearing
	3511	Mechatronic
	3514	Gearshift Finger
	3516	Selector Shaft
	3517	Relay Lever
	3518	Internal Shift Rods
	3521	Selector Fork 1st/2nd Gears
	3523	Selector Fork 3rd/4th Gears
	3524	Selector Fork 5th/Reverse Gear
	3525	Selector Fork for Reverse
	3526	Selector Fork 5th/6th Gear
	3529	Selector Fork 5th Gear
	3530	Locking Keys
	3533	Selector Plate, Gear 1 – 4
	3534	Selector Plate, 5th Gear
	3535	Selector Plate, Reverse

Powertrain Service Numbers		
	3540	Input Shaft
	3542	3rd/4th/6th Gear Wheel
	3543	Shim
	3546	Input Shaft Front Bearing
	3547	Input Shaft Center Bearing
	3548	Input Shaft Rear Bearing
	3550	Input Shaft Seal
	3554	Countershaft
	3555	Countershaft Bearing
	3557	Reverse Gear Shaft
	3559	Output Shaft
	3560	Output Shaft Front Bearing
	3561	Output Shaft Rear Bearing
	3563	Mated Gears, 6th Gear
	3564	Output Shaft Middle Bearing
	3568	Synchro Unit 5th and Reverse
	3569	Synchro Unit for Reverse Gear
	3571	1st Gear Pair
	3572	2nd Gear Pair
	3573	3rd Gear Pair
	3574	4th Gear Pair
	3575	5th Gear Pair
	3577	Reverse Sliding Gear
	3578	Reverse Gear Wheel
	3580	Gear Needle Roller Bearing
	3581	Synchro Unit 1st/2nd Gear
	3582	Synchro Unit 3rd/4th Gear
	3583	Synchro Unit 5th/6th Gear
	3585	Circlip 5th Gear Wheel
	3591	Synchro Ring 1st Gear

Powertrain Service Numbers		
	3592	Synchro Ring 2nd Gear
	3593	Synchro Ring 3rd Gear
	3594	Synchro Ring 4th Gear
	3595	Synchro Ring 5th Gear
	3596	Synchro Ring, Reverse
	3597	Synchro Ring 6th Gear

Automatic Transmission Controls and Transmission Case

Service Number	Description
3730	Transmission Control Module
3731	Multi-function Switch
3732	Vehicle Speed Sensor
3735	Auto Trans
3737	Transmission Housing
3745	ATF Filler Pipe
3750	Gasket
3753	Transmission Housing Gasket
3755	ATF Pan
3756	Oil Pan/Gasket

Automatic Transmission Gears and Shafts

Service Number	Description
3805	Planetary Gears, Complete
3810	Main Shaft
3814	One-Way Clutch With Piston
3815	One-Way Clutch
3825	Forward Planetary Gear
3826	Reverse Planetary Gear Set
3827	Planet Piston Carrier

Powertrain Service Numbers		
	3830	Sun Gear
	3831	Large Sun Gear
	3835	Forward Clutch
	3837	Clutch
	3838	Clutch
	3839	Reverse Gear Clutch
	3844	Direct/Reverse Gear Clutch
	3853	2nd Gear Brake Band
	3856	ATF Pump
	3858	ATF Oil Filter
	3859	Pump Shaft
	3860	Trans Oil Cooler
	3864	1st Gear Brake Piston
	3865	2nd Gear Brake Piston
	3868	Governor
	3874	Parking Lot Lever
	3877	Valve Body
	3878	Valve Body Conducting Strip
	3885	Mechatronics
	3901	Final Drive Assembly
	3902	Prop Shaft
	3905	Differential Shaft
	3906	Output Shaft Bearings
	3907	Prop Shaft Intermediate Bearing
	3908	Ring Gear/Pinion
	3910	Differential Housing
	3911	Driving Gear
	3912	Differential Side Gears
	3916	Differential Bearings
	3918	Intermediate Gear Bearings

Powertrain Service Numbers		
	3920	Final Drive Side Cover/ Gasket
Automatic Transmission Differential		
	Service Number	Description
	3921	Cover/Gasket
	3922	Drive Shaft Flange Seal
	3925	Left/Right Drive Shaft Flange
	3927	Drive Flange Bolt
	3928	Engine Side Output Shaft Oil Seal
	3929	Differential Lock Oil Seal
	3930	Output Shaft Bearing
	3932	Trans. Side Shaft Seal
	3933	Front Differential Lock
	3940	Rear Differential Lock
	3942	Differential Lock Switch
	3945	All Wheel Drive Ring Gear/ Pinion
	3946	All Wheel Drive Differential Housing
	3950	Speedometer Drive Gear
	3951	All Wheel Drive Differential Side Gears
	3954	All Wheel Drive Differential Bearing
	3955	Prop Shaft Seal
	3956	Roller Bearing All Wheel Drive
	3957	Front Differential Bearing
	3958	Synchro Final Drive Cover
	3959	Synchro Final Drive Cover Seal

Powertrain Service Numbers		
	3960	Viscous Coupling
	3962	Trans Oil Pump
	3963	Synchro L/R Drive Shaft Flange
	3965	Transfer Gearbox
	3970	Bevel Gear Drive
	3971	AWD Final Drive w/Clutch
	3975	Axle Differential Lock Control Unit
	3977	Axle Differential Lock Control Motor
	3978	Transfer Box Control Motor
	3979	Cooler
	3982	Front Drive Shaft Seal
	3988	Synchro Final Drive Assembly
	3989	Synchro Final Drive Housing
Front Wheel Suspension Shaft and Axle		
	Service Number	Description
	4041	Drive Shaft
	4044	Inner C.V. Joint
	4045	Outer C.V. Joint
	4046	Drive Shaft Damper
Rear Wheel Suspension Shaft and Axle		
	Service Number	Description
	4221	Drive Shaft (082687)
	4224	Inner C.V. Joint
	4225	Outer C.V. Joint (082687)

Note: Please remember to check ElsaPro for the correct corresponding Service Number and Model Number Deviation.

Emissions Warranty Charts

Claim coding: Use claim type 1E1 for Federal emissions repairs/replacements after the NVLW period but within the Federal Emissions Warranty. Use claim type 1E2 for California emissions repairs/replacements after the NVLW period but within the California emissions warranty. Use claim type 1E3 for California diesel vehicle repairs/replacements after the NVLW period but within the California emissions warranty.

General

Emission warranties are warranties which the manufacturer is required by law to furnish to customers at the time they take delivery of their new vehicle.

The warranties required by federal laws are applicable to all new Volkswagen vehicles imported and distributed by Volkswagen of America, Inc. for sale in the United States, including California.

The table [VWoA's California Emissions Warranties Coverage Matrix](#) identifies the classes of vehicles covered by VWoA's California emission warranties.

VWoA's California Emissions Warranties Coverage Matrix			
Requirement 1 ▶	Requirement 2 ▶	Requirement 3 ▶	Covered by California Emission Warranty
Certified for sale in California?	First registered in a CA emissions state*?	Currently registered in a CA emissions state*?	
Yes ▶	Yes ▶	irrelevant ▶	Yes
Yes ▶	No ▶	Yes ▶	Yes (as long as registered in a CA emission state*)
Yes ▶	No ▶	No ▶	No
No ▶	irrelevant ▶	irrelevant ▶	No

* CA Emissions States:

- California
- Delaware as of 2014 MY
- Massachusetts as of 1995 MY
- Vermont as of 1999 MY
- Maine as of 2002 MY
- Connecticut, Pennsylvania, Rhode Island as of 2008 MY
- New Jersey, Oregon, Washington as of 2009 MY
- Maryland as of 2011 MY
- Washington, D.C. as of 2014 MY
- New Mexico, 2011 MY only
- New York as of 2004 MY (only for vehicles equipped to meet California's Partial Zero Emission Vehicle (PZEV) / Advanced Technology Partial Zero Emissions Vehicles (AT-PZEV) emissions requirements)

A vehicle certified for California can be identified by inspecting the Emission Control Information Label located visibly in the engine compartment and confirming that the label includes a statement of certification to California regulations.

The owner of a vehicle certified for sale and registered in a California-state as identified in the table [VWoA's California Emissions Warranties Coverage Matrix](#) may, therefore, have warranty rights under both federal and state mandated Emissions Warranties.

Emissions Warranty Claims on Totaled Vehicles

Claims made by a consumer under any of the statutory Emissions Warranties are required to be honored even though the vehicle may have been declared a "total loss" by an insurance company as long as it remains operative and has been placed back into service. However, damage to emission components caused by flood, accident or other events for which Volkswagen has no responsibility may not be claimed under any of the statutory emissions warranties.

IMPORTANT! When a dealer services such a vehicle, please disclose to the owner in writing any unsafe conditions discovered in the vehicle and recommend that these conditions be repaired before the vehicle is operated on public streets.

- ▶ Please verify that the component you are reviewing coverage for is not considered a Powertrain Warranty component (e.g. turbocharger). Certain items may be covered by the Powertrain Warranty.

8/80 Federal Emissions Warranties Component Coverage

The following major emission control components are covered under the terms of the Federal Emissions Warranties for 8 years/80,000 miles, whichever occurs first, from the vehicle's in-service date.

Catalytic Converter and Particulate Filter

Service Number 2673 (including pre-catalytic converter, Service Number 2670 and diesel particulate filter, Service Number 2674), including any and all catalysts and the following parts that are an integral part of any converters and/or would necessitate converter replacement if they fail:

- ▶ Converter shell, nipples, and heat shield
- ▶ Heater and warm-up circuits

Electronic Control Module (Powertrain Control Module – Routan)

Service Number 2470, or 2360 (diesel vehicles) Including any and all hardware, software, wires, harnesses, connectors and the case which are an integral part of the control unit or would necessitate repair or replacement of the unit or module if they fail.

On Board Emission Diagnostic Device

Including any and all hardware, software, wires, harnesses, connectors and the case which are an integral part of the device or would necessitate repair or replacement of the device if it fails. This includes any portion of the wiring harness (Service Number 9752), which effects the proper operation of the vehicle's Onboard Emission Diagnostic Device, as well as the MIL bulb. This does not include any other parts or systems which the OBD monitors.

Related Parts and Labor

Associated with the above components necessary for replacement, including:

- ▶ Hoses; gaskets, seals; wires, harnesses, connectors; nuts, bolts, screws, fasteners

7/70 California Emissions Warranties Tables

The emissions components marked with " ● " in the following tables are covered under the terms of the California Emissions Warranties for 7 years/70,000 miles, whichever occurs first, from the vehicle's in-service date.

8/100 California Emissions Warranties Table (MY 2009, 2010, 2012, 2013, 2014 Routan Only)

If the vehicle qualifies for this warranty, you will find this statement “Certified to optional useful life per 1961(a) (8).” on the Vehicle Emission Control Information label located on the under side of the hood on the driver’s side. All powertrain control modules and catalyst are covered, in addition to the specific parts listed in the following table.

MY 2012 – 2014 VWoA California Emissions Warranties 8 Years/100,000 Miles, whichever occurs first

Plastic Fuel Tank Assembly	2010	●	

15/150 PZEV/AT-PZEV California Emissions Warranties Table

Some Volkswagen models may be specially equipped to meet California Partial Zero Emission Vehicle (PZEV)/ Advanced Technology Partial Zero Emissions Vehicles (AT-PZEV) requirements, as identified on the Vehicle Emission Control Information Label located under the hood.

Additionally, PZEV/AT-PZEV models may be identified by checking the VIN for "Warranty Key" US9 (PZEV Coverage See Warranty Policy) in ElsaPro > Vehicle Data. The "Warranty Key" section heading in ElsaPro only appears if a "Warranty Key" is attached to the VIN.

If a PZEV/AT-PZEV vehicle fails a Smog Check inspection, OR if any emission-related part is found to be defective, the part will be repaired or replaced by Volkswagen for 15 years or 150,000 miles, whichever occurs first, from the date the vehicle is delivered to either the original purchaser or the original lessee; or if the vehicle is first placed in service as a "demonstrator" or "company" car, on the date such vehicle is first placed in service. This represents the emission control system PERFORMANCE WARRANTY and DEFECTS WARRANTY.

For these vehicles, Volkswagen of America, Inc., an operating unit of Volkswagen Group of America, Inc. ("Volkswagen"), warrants to the original retail purchaser or original lessee and any subsequent purchaser or lessee that every model year 2015 Volkswagen vehicle imported by Volkswagen and certified for sale and registered in California:

- ▶ Was designed, built and equipped so as to conform with all applicable requirements of the California Air Resources Board (California ARB) and
- ▶ Is free from defects in material and workmanship which cause the vehicle to fail to conform with California ARB requirements, including any defect which would cause the vehicle's onboard malfunction indicator to illuminate, for 15 years/150,000 for PZEV/AT-PZEV models, whichever occurs first.
- ▶ **IMPORTANT: For High-Voltage batteries in Hybrid models equipped to meet PZEV or AT-PZEV requirements, the warranty term is 10 years or 150,000 miles, whichever occurs first.**

When The Warranty Period Begins

The warranty period begins on the date the vehicle is delivered to either the original retail purchaser or the original lessee, or if the vehicle is first placed in service as a "demonstrator" or "company" car, on the date such vehicle is first placed in service.

The following is a generic list of emission-related components which would be covered for 15 years or 150,000 miles, whichever occurs first, for PZEV/AT-PZEV vehicles.

PZEV/AT-PZEV California Emissions Warranties 15 Years/150,000 Miles, whichever occurs first

Service Number	Component
1714	Oil Filler Cap
1726	PCV Valve
1911	Coolant Level Sensor
1913	Coolant Fan Con. Switch
1970	Direct Ozone Reduction (DOR) Radiator/Sensor
1978	Temperature Sending Unit
2005	Fuel Filler Cap
2007	Filler Neck

Miscellaneous components (emissions-related)

Emissions-related hoses, clamps, belts, pulleys, tubes, fittings, sealing devices, and mounting hardware are covered if they are used on one of the above components. For example, items such as defective gaskets would be covered, i.e. Exhaust Manifold Gasket (2609).

- The duration of the warranty on any miscellaneous component is equal to the duration of the warranty on the component it is used on.

Authorizations/Approvals

QTM Team

Warrantability must be determined by the QTM Team using the Warranty Repair Acceptance (WRA) process in the Operations Section of WISE, prior to starting the repair, for the following:

- ▶ Convertible Top
- ▶ Clutch Disc
- ▶ Window/Sunroof Glass
- ▶ Paint*
- ▶ Corrosion*

*Excludes paint/corrosion issues addressed through a technical bulletin, or paint/corrosion repairs under 50 time units.

Technician Helpline/VTA Case Number

The Volkswagen Technician Helpline must be contacted for repair instructions prior to each replacement of the following components. A VTA case number is also required.

- ▶ W8, W12, V10 TDI engines
- ▶ All transmissions (complete assemblies)
- ▶ Main wiring harness
- ▶ Eos complete roof assembly

Campaign Claim Consequential Damage

Repair authorization for consequential damage related to campaign claims must be requested in the Operations Section of WISE by the Service Manager, Service Director or designate, before the work is performed.

Maintenance

Volkswagen Carefree Maintenance Program

Volkswagen Carefree Maintenance Program:

- ▶ Applies exclusively to 2009 - 2015 model year vehicles
- ▶ For model year 2015, an administrative fee does not apply
- ▶ For model years 2009 - 2014, an administrative fee to the Dealership associated with each manufacturer required scheduled maintenance interval claim will be charged to the Dealership's Parts Account as follows:
 - For all vehicles except Routan: \$21.00
 - Routan: \$10.50
- ▶ Refer to ElsaPro for current labor operations and Suggested Repair Times (SRT).
- ▶ **Model Year 2015 Vehicles**

Coverage includes the manufacturer's required scheduled maintenance services listed in the maintenance section of the *Warranty and Maintenance* booklet for:

 - 15 months or 15,000 miles, whichever occurs first, from the vehicle's in-service date for all vehicles
- ▶ **Model Year 2014 Vehicles**

Coverage includes the manufacturer's required scheduled maintenance services listed in the maintenance section of the *Warranty and Maintenance* booklet for:

 - 27 months or 25,000 miles, whichever occurs first, from the vehicle's in-service date for all vehicles except Routan
 - Model Year 2014 Routan vehicles are not eligible for Carefree Maintenance
- ▶ **Model Year 2013 Vehicles**

Coverage includes the manufacturer's required scheduled maintenance services listed in the maintenance section of the *Warranty and Maintenance* booklet for:

 - 39 months or 36,000 miles, whichever occurs first, from the vehicle's in-service date for all vehicles except Routan
 - Model Year 2013 Routan vehicles are not eligible for Carefree Maintenance
- ▶ **Model Year 2009 – 2012 Vehicles**

Coverage includes the manufacturer's required scheduled maintenance services listed in the maintenance section of the *Warranty and Maintenance* booklet for:

 - 39 months or 36,000 miles, whichever occurs first, from the vehicle's in-service date for all vehicles except Routan
 - 3 years or 36,000 miles, whichever occurs first, from the vehicle's in-service date for Routan

Roadside Assistance

Roadside Assistance coverage period:

- ▶ **MY 2009 - 2015 – new vehicles:** 3 years or 36,000 miles, whichever occurs first; from the date the vehicle is delivered to either the original purchaser or original lessee or if the vehicle is first placed in service as a “demonstrator” or “company car”, on the date such vehicle is first placed in service
- ▶ **WorldAuto Certified Pre-owned vehicles retailed on or after January 1, 2000:** 2 years, regardless of mileage beginning with the expiration of the original coverage or sale date of the Certified Pre-owned vehicle, whichever is greater.

Roadside Assistance for MY 2009 – 2015	
Telephone number	1-800-411-6688
Towing claims paid by Warranty	No
▶ Roadside Assistance must be contacted for all roadside issues.	
▶ Refer to the applicable <i>24-Hour Roadside Assistance Owner's Guide</i> for complete details on coverage.	

Miscellaneous

Battery

12 Volt Original Equipment Battery

12 volt original equipment batteries are covered by the NVLW for defects in material or workmanship for the entire NVLW period except for MY 2009 - 2014 vehicles. **The original equipment 12 volt battery for 2009 - 2014 MY vehicles is covered for 2 years or 24,000 miles, whichever occurs first.**

12 Volt Volkswagen Factory Replacement Batteries

Volkswagen Factory Replacement 12 Volt Batteries (Manufactured by Interstate Battery Systems of America) Sold as of June 1, 2012

- ▶ Are warranted to be free of defects in material and workmanship for 24 months, regardless of mileage.
- ▶ After 24 months of battery service, Volkswagen will absorb a prorated percentage of the battery replacement cost, the remainder of the cost to be paid by the customer (including labor). This proration policy applies until the battery has been in service for 60 months (5 years), after which time the customer must bear the entire cost for a new battery.

Labor is not reimbursable in the following situations:

- ▶ On prorated batteries.
- ▶ On wholesale purchases or installation by an independent repair facility.
- ▶ On over-the-counter purchases.

The battery is to be replaced with a new replacement battery of comparable capacity.

Battery Policy Guidelines

- ▶ Full 100% reimbursement for parts and labor up to 24 months, regardless of mileage.
- ▶ No labor reimbursement for battery replacement after 24 months.
- ▶ This warranty does not apply to batteries that were placed in commercial or marine use.
- ▶ Customer charge is based on Volkswagen suggested retail parts prices.

Glass

For all window/sunroof glass repairs, warrantability must be determined by the QTM Team using the Warranty Repair Acceptance (WRA) process in the Operations Section of WISE, prior to starting the repair. Glass is covered under the NVLW for manufacturing defects only. Stone chips in the glass are not covered.

Mufflers – Volkswagen Limited Lifetime Warranty

Limited Lifetime Warranty for Volkswagen Replacement Mufflers, Shock Absorbers, Struts and Strut Inserts

Limited Lifetime Warranty for Volkswagen Replacement Parts			
Start of coverage	Part covered	Coverage	Time limits
Purchase date of 5/91 or later	Mufflers, shock absorbers, struts, strut inserts	Covers part only after 12/12 (no labor). Available for the original part purchaser.	Unlimited time/mileage

What is required to file a claim

- ▶ In order to make a claim under the warranty set forth on the reverse side of the Warranty Certificate, the claimant must present the properly completed Certificate along with their proof of purchase (dated invoice or repair order), and proof of current vehicle registration to the original place of purchase, or to any authorized Volkswagen Dealer in the United States.

Claim Procedure

- ▶ To process a Lifetime Warranty Claim, utilize Parts on Command (not SAGA).
- ▶ For questions regarding claim submission, refer to your Volkswagen *Parts Managers' Handbook, Claim Section* for details.

Paint Repairs

For all paint repairs, warrantability must be determined by the QTM Team using the Warranty Repair Acceptance (WRA) process in the Operations Section of WISE, prior to starting the repair, except paint issues addressed through a technical bulletin, or paint repairs under 50 time units. Paint is covered for manufacturing defects only. Stone chips in the paint (and resultant rust on the metal), and blemishes due to environmental influences are not covered.

Parts – Replace-only Components

If replaced under any Volkswagen warranty the components listed in table *Replace-only components* must be replaced rather than repaired. After warranty expiration, repairs to these components may be performed at the customer’s discretion.

- **Note:** Deployed airbags must never be repaired but replaced with a new replacement airbag that has the same specifications as the originally installed airbag. Volkswagen will not accept liability for consequential damage resulting from repaired airbags.

Replace-only components	
A/C Compressor	Clutch Master Cylinder
Air Bags	Clutch Slave Cylinder
Alternator	Diesel Injection Pump
Brake Caliper	ECM/TCM
Brake Drum	Flywheel
Brake Master Cylinder	Power Steering Pumps
Brake Wheel Cylinder	Power Steering Rack
Certain Instrument Clusters	Starter Motor
	Turbo

Genuine VWoA remanufactured parts must always be used when available. Machining of parts (i.e. cylinder heads) is not allowed under warranty unless instructed to do so by Product Support.

Safety Belts

Safety belts of vehicles first sold or registered in Kansas and safety belts sold and installed in vehicles registered in Kansas after July 1, 1986 are covered for defects in material and workmanship for 10 years/unlimited mileage, beginning with the in-service date.

Use claim type 110 for repairs/replacements within the NVLW. Use claim type 210 for repairs/replacements outside of the NVLW but within the 10-year warranty period of the Kansas Seat Belt Warranty.

Tires

Tires are not covered under the NVLW. Tires are warranted by their respective tire manufacturer. Volkswagen dealers should assist the customer in any way possible to obtain warranty service from the tire manufacturer. Volkswagen dealers are responsible for obtaining the manufacturer's tire warranty statement, which is to be given to the customer. NHTSA and regulations require that a tire warranty pamphlet be placed in every new vehicle prior to sale. To assist you in replacing any missing warranty pamphlets, please contact the following tire manufacturers.

Tire Manufacturers	
Continental General 1800 Continental Blvd. Charlotte, NC 28273	1-800-847-3349

Transmissions

Technician Helpline VTA case number requirements:

A Technician Helpline VTA case number with repair instructions is required prior to replacing all transmissions (complete assemblies).

Replacement transmission:

Volkswagen's policy provides that if the cost of parts and/or labor of a repair exceed 80% of the cost of a complete remanufactured unit, a complete remanufactured replacement unit must be used, unless Volkswagen specifies otherwise in particular cases.

VWUSWTYQRG0714
