Subject: Increased Warranty coverage period for all
VAS6150C Diagnostic Units – 24 to 36 months

Date: March 03, 2014

Audi of America is pleased to inform you that the warranty coverage period on all VAS6150C Diagnostic units has been **increased from 24 months to 36 months for the main laptop**. We would also like to announce that the warranty coverage period of the VAS5054A Remote Diagnosis Head included with the VAS6150C purchase is now 36 months!

The extended VAS6150C warranty coverage period further enhances the value of the VAS6150C Diagnostic Unit purchase for all Audi dealers.

Below is the new warranty coverage period for all VAS6150C Diagnostic Units:

36 months = Main Laptop

12 months = Rechargeable battery

24 months = Docking station

36 months = VAS5054A Remote Diagnosis Head (24 months for USB cable)

Important Note:

This new warranty coverage period is also valid for all VAS6150C units that have been already delivered!
