 2014-2015 Chevrolet SS
 2012-2015 Chevrolet Volt
 2012-2015 GMC Terrain

This PI was superseded to update Model Years and Recommendation/Instructions. Please discard PIC5611B.

Condition/Concern

Some customers may ask if they can turn the RVC (rear vehicle camera) off, turn the RVC guidelines on/off, and/or change the brightness of the RVC.

Recommendation/Instructions

To prevent unnecessary repair attempts, please refer to the table below to determine normal RVC features for the vehicle and RPO combination that you are working with before attempting repairs.

Note: 2014 & 2015 RVC display brightness can be adjusted on some models while the transmission is in reverse (use proper safety, set parking brake, etc) and using the Menu/Select path (*).

Note: If equipped with guidelines, they can be turned on/off using the Config, Display, Guidelines path (*).

*Some models may use different terminology and/or navigation path.

RVC Content Table:

Vehicle	RVC (UVC) w/o Lines	RVC (UVC) w/ Lines	RVC Can Be Turned ON or OFF	Brightness A Allowed
2012 Models with RPO UEW		x		
2012-2014 Models with RPO UFU (UFW in Europe) or RPO UHQ (UHR Europe / UHM Australia)	x		Yes - only for MY12 & MY13	Yes - only for MY12 & MY14
2012-2014 Chevrolet Malibu with RPO UFU or RPO UHQ	x		Yes - only for MY12 & MY13	Yes - only for MY12 & MY14

2012-2014 Models with RPO UFU or RPO UHQ (Except Malibu)	x		Yes - only for MY12 & MY13	Yes - only for MY12 & MY14
2015 Models with UFU or UHQ		x	No	Yes

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, DO NOT assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
