

Service Bulletin

PRELIMINARY INFORMATION

Subject: Front Seat Back Airbag and Pretensioner Connectors Available for Service Use

Models: 2011-2013 Chevrolet Caprice PPV

The front seat outboard seat back airbag and seat belt anchor pretensioner (buckle) service connectors are now available for service as a separate part. Previously these connectors were formerly available only as part of the component or the entire body harness. DO NOT replace the component or the body harness if the connector requires replacement.

For vehicles repaired under warranty, use:

Labor Operation	Description	Labor Time
5430880	Connector with Leads Assembly Replacement	Use Published Labor Operation Time

GM bulletins are intended for use by professional technicians, NOT a "do-it-yourselfer". They are written to inform these technicians of conditions that may occur on some vehicles, or to provide information that could assist in the proper service of a vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do a job properly and safely. If a condition is described, DO NOT assume that the bulletin applies to your vehicle, or that your vehicle will have that condition. See your GM dealer for information on whether your vehicle may benefit from the information.
