Urgent

Subject: **Inspection of P/N 72 11 0 303 879 Ball Mount for Defect**

Hello,

This message is to inform you of the procedure for checking stock of P/N 72 11 0 303 879 which is a Ball Mount applicable to E83/F25/F15 models. Please see the attachment for detailed instructions to determine if your Ball Mount is defective and needs to be returned. There will be a follow up message to inform you about the return process. Thank you!

Best Regards,

Jake Mooney
