**NEW** designates changes to this revision

#### **SUBJECT**

**New "Gas Door Operation" Instruction Label**

#### **MODEL**

**NEW** F10 (5 Series)

**NEW** F07 (5 Series Gran Turismo)

**NEW** F06 (6 Series Gran Coupe)

**NEW** F12 (6 Series Convertible)

**NEW** F13 (6 Series)

**NEW** F01, F02 (7 Series)

F15 (X5)

F25 (X3)

#### **SITUATION**

Initial quality reports show the customers are not certain how to open and close the fuel filler flap.

#### **CORRECTION**

On November 4, 2014, the factory will start installing a yellow label tag to the fuel filler flap ejector.

**This label must remain on the vehicle and should only be removed by the new owner.**

	<p>As you can see, the tag is to be removed by the customer and directs him or her to see the Owner's Manual for more information.</p>
	<p>The customer can easily remove the label by pulling outwards. The label will direct him or her to see the Owner's Manual if needed.</p>
