Re: i8 Fuel Tank Supply Unit B16 13 14

We have implemented a VIN-specific parts ordering process for these twenty nine i8 vehicles involved in this Service Action. The part numbers involved in the repair are blocked from dealer ordering. Please follow the ordering procedure outlined below.

All requests must be emailed to specialpartsrequest@bmwna.com. The email must contain the following information:

Subject line – i8 Fuel Supply Module
Center number and location code where the part should be delivered
Contact Information – Name, Phone number
VIN – Last seven digits (7)

Stock on these parts is limited. Orders will be placed into the system between 10:00am and 6:00pm EST, using the last 7 digits of the VIN as the PO. All orders will be placed as VOR in the order they are received. Orders received after local VOR cut off time will be shipped the following day. Multiple requests for the same VIN will be cancelled.

Thank you,

Parts Logistics
