SITUATION

A Delivery Stop has been issued on certain 2015 model year vehicles with N20/N26 engines produced from

September 4, 2014 through October 21, 2014.

These vehicles may have a crankcase failure. Approximately 145 vehicles are affected.

AFFECTED VEHICLES

Affected vehicles in center inventory must not be retailed or delivered until this issue is corrected.

Affected vehicles can be identified with a “Vehicle Comment” in the DCS Warranty Vehicle Inquiry or ISPA Light with the description:

- Defect Code 00 11 53 03 00, Delivery Stop, Crank case failure. Bulletin will be published shortly.

This bulletin will be updated with repair instructions and warranty information when parts become available. Please contact your field representatives if you have any questions.
