SUBJECT: Field Replacement Campaign - Toolbox Aluminum Mounting Brackets

Due to concerns about the potential of cracking or failure, we have decided to replace these brackets.

If you are in possession of or have been contacted by someone with one of the trailers on the attached list, you should contact Great Dane Customer Service (877) 369-3493 with the trailer VIN. Great Dane will arrange for the correct brackets and fasteners to be sent to your location. The brackets are trailer and toolbox location specific. We have included a copy of the installation diagram and bracket part numbers for the specific trailers and toolbox mounting locations.

If after your review, should you have any questions please contact Great Dane Customer Service (877) 369-3493.
