2006MY – 2015MY J08 Engine Block Oil Passage Plugs Replacement

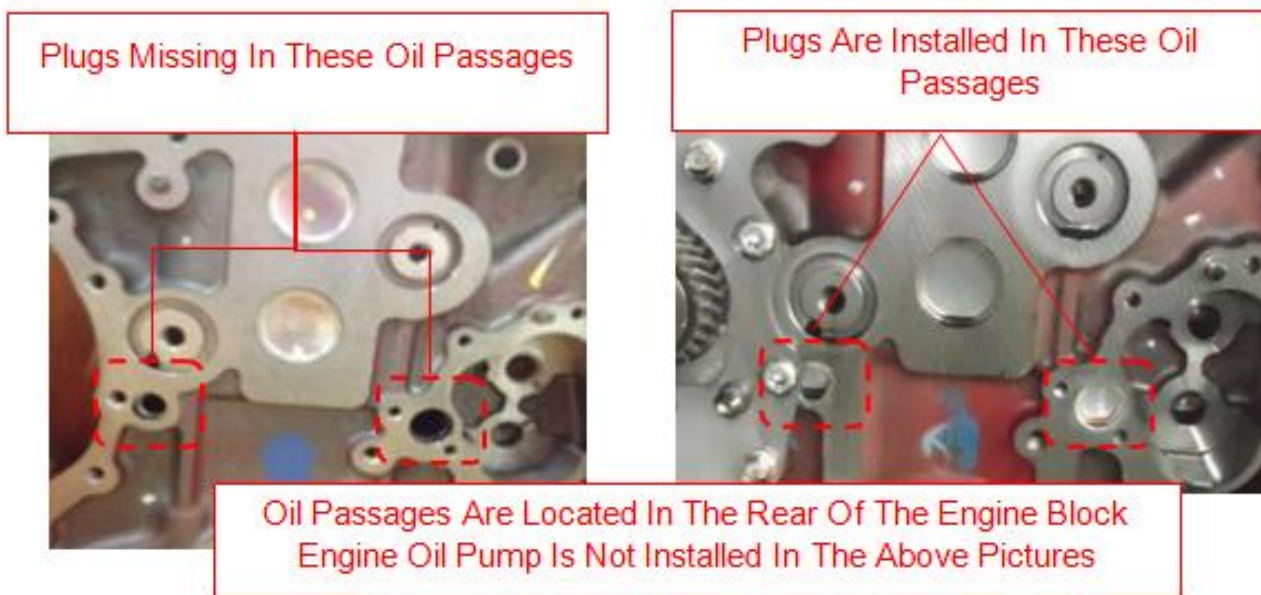

SUBJECT VEHICLES:

2006 through 2015 model year NE8J, NJ8J, and NV8J conventional trucks equipped with a J08 engine.

Note: This technical tip is provided as technical information and is not authorization for a warrantable repair.

CONDITION:

When replacing an engine block with service part no., **11401E0380** there is potential that 2 rear oil passage plugs may be missing in the rear of the replacement engine block. In the event your replacement engine block does not have these 2 oil passage plugs, you will need to install them before proceeding.
