2013 – 2014 SENTRA; FRONT SEAT CUSHION OUTER FINISHER R&R

APPLIED VEHICLES: 2013 – 2014 Sentra (B17)

SERVICE INFORMATION

If a Seat Cushion Outer Finisher, (4) in Figure 1, needs to be removed for any reason, make sure to follow these instructions for removal and installation.

1. Release pawls and remove the lift lever finisher (2) – driver side only (see Figure 1).
2. Remove two screws and the lift lever (1) – driver side only (see Figure 1).
3. Release pawl and remove the recline lever (3) as shown in Figure 1.

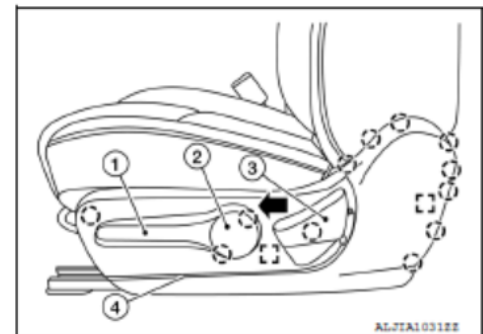

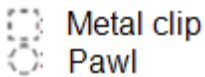

Figure 1

4. Remove the finisher in this order (see Figure 2):
 - a. Carefully remove the finisher clip (1).
 - b. Remove with low force the finisher clip (2).
 - c. Taking care not to break finisher clip (3), remove it slowly.

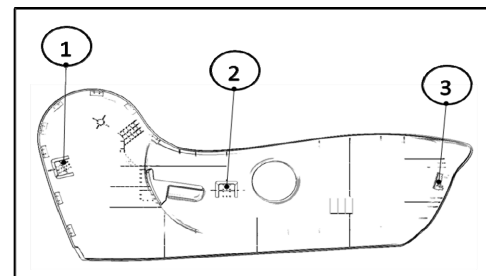

Figure 2

5. Re-install the finisher in this order (see Figure 3):
 - a. Install the finisher clip (1) slowly, taking care not to break it.
 - b. Install the finisher clip (2) carefully.
 - c. Push the finisher clip (3), in order to totally fix the finisher.

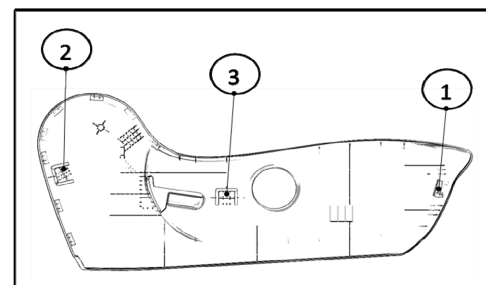

Figure 3

NOTE: After the finisher is installed:

- Confirm there are no gaps between the parts.
- Gently pull on the finisher to confirm it is securely attached.
