NISSAN BULLETIN

2013-14 Nissan Pathfinder AWD CVT Shipment Update Dealer Service Action Update

Reference: PC283

Date: July 14, 2014

Attention: Dealer Principal, Sales, Service & Parts Managers

*****Dealer Announcement*****

There are 67 eligible vehicles remaining in dealer inventory for this service action. 39 CVTs were shipped last week and have already begun arriving at dealers. Please refer to the attached list for current and planned shipments. Order numbers are included for shipments in progress.

Additional CVTs are currently in transit to facing PDCs. The remaining 28 shipments listed on this sheet will be sent the week of 7/21/14.

Dealers should not order CVTs if their needs will be met by the current or planned shipments on this list. Dealers should order parts directly if their needs will not be fully met by shipments shown on this list.

*****Dealer Responsibility*****

Dealers **should not perform this dealer inventory service action on a retailed vehicle** once it has been delivered to the customer. If a retailed vehicle still has PC283 active in Service Comm, dealers should request a manual closure of this action by e-mailing the VIN and reason: "vehicle was retailed" to Campaign_Manual_Closure@nissan-usa.com.
