SERVICE INFORMATION

The purpose of this bulletin is to clarify language contained in the owner's manual language for the **APPLIED VEHICLES**. For the **APPLIED VEHICLES**, the below language supersedes similar language in existing owner's manuals. Future printings of owner's manuals for the **APPLIED VEHICLES** will also contain the below language.

For the **APPLIED VEHICLES**:

NISSAN recommends using Genuine NISSAN NS-3 CVT Fluid ONLY in NISSAN CVTs. Do not mix with other fluids.

Do not use Automatic transmission fluid (ATF) or Manual Transmission fluid in a NISSAN CVT, as it may damage the CVT. Damage caused by the use of fluids other than as recommended is not covered under NISSAN's New Vehicle Limited Warranty.

Using fluids that are not equivalent to Genuine NISSAN NS-3 CVT Fluid may also damage the CVT. Damage caused by the use of fluids other than as recommended is not covered under NISSAN's New Vehicle Limited Warranty.

Nissan Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. **NOTE:** If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Nissan dealer to determine if this applies to your vehicle.
