

FREIGHTLINER CAE DEALER LETTER #147

DATE: September 3, 2014

TO: U.S. / Canadian Dealer Principals, General & Sales Managers, Salespeople
U.S. / Canadian General, Regional, District Sales & Service Managers
Select Daimler Personnel

FROM: Customer Application Engineering

As part of Daimler, Freightliner Trucks is committed to high ethical standards in all business transactions through compliance with the Daimler Integrity Code and our company's policies and guidelines. Freightliner Trucks does not tolerate unethical or corrupt business practices by its employees or its business partners.

TOPIC

- **RADIOS** - New Data Codes and Features

RADIOS

BD646

Effective: Chassis Starts on October 6, 2014

In order to consolidate radio offerings into models that provide popular functionalities in more common groupings, the following radio options will be discontinued and replaced as tabulated below. See following pages for the new radio face-plate diagrams and feature summaries.
