

WORK SMART™

POLISHED STAINLESS STEEL STEPS

Freightliner Trucks offers polished stainless steel steps

Freightliner trucks is now offering polished stainless steel steps on M2 and SD vehicles. This option is currently available to order in SpecPro for chassis start dates beginning March 3, 2014.

What is it?

- Polished stainless steel cab access step option that provides an alternative to our argent silver or black steps

Why is it important?

- Added style and beauty to match other “bright” exterior trim components

This Feature Includes:

- Rectangular fuel tanks only

Key Benefits:

- Matches other chrome-upgraded exterior trim components

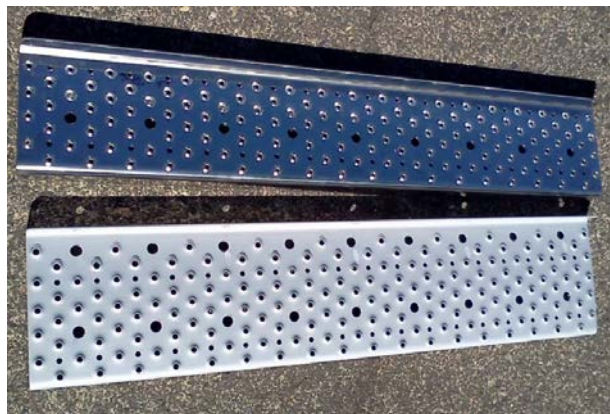

Availability:

- M2106, M2112, 108SD, 114SD

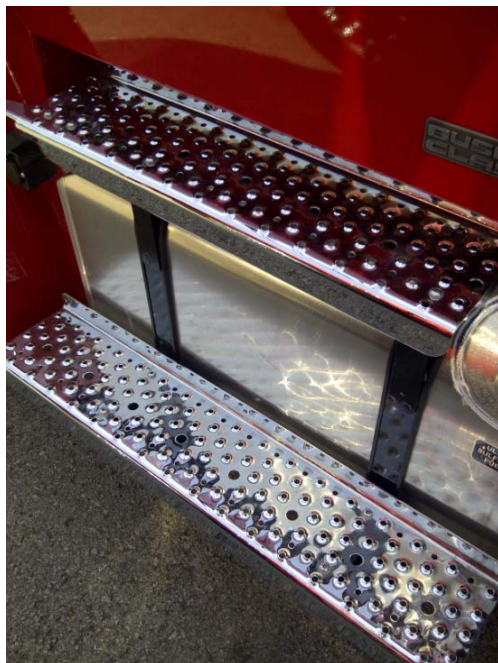

Where do I find this information?

Data Codes

664-004 – Polished stainless steel step finish

Polished stainless steel steps (top) compared to standard argent silver steps (bottom)

Polished steps installed on a M2
