

REMINDER: 925 New Technology Technical Training

TO: SDC EST CEN WST
FROM: Subaru of America, Inc.
DEPARTMENT: Service
DATE: 05/21/2014
CATEGORY: Parts/Service

Subaru Service Training is pleased to announce the release of the 925 New Technology Training (925 NTT). This course focuses on the all new 2015 Subaru WRX and STI technical features. This fast moving Web Based Training (WBT) course covers new and refreshed content as well as the technical features and systems operations in these vehicles. This course **updates the current 405 Fuel Systems course** and is **required for all technicians that have current credit in 405** and is recommended for all other technicians in the dealership.

Register now for this WBT, completion must be recorded no later than Midnight May 31, 2014 EST.

NOTE: Failure to complete this important course by May 31, 2014 Midnight EST will result in the loss of 405 training course credit.

Required Attendance:

At least one technician per dealer must complete this course before April 31st 2014 and each technician that holds current credit for 405 needs to complete this course by May 31, 2014.

Suggested Attendance:

Any technician servicing the 2015 WRX and STI
