SUBJECT: SF495 Revised Bulletin

This letter is to inform you that a revised bulletin for Field Service SF495, *MeritorWABCO ECAS ECU Replacement*, has been posted on AccessFreightliner.com. Please print and use the revised bulletin for all work under SF495 from this point forward.

REVISION: The original SRT has been corrected, and an additional SRT has been added for vehicles that also require the wire repair in FL656. The additional SRT does not include time for calibration as this time is already included in the FL656 wire repair SRT.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through [www.AccessFreightliner.com / Support / My Tickets and Submit an Inquiry](http://www.AccessFreightliner.com/Support/MyTicketsandSubmitanInquiry) from 7:00 a.m. to 4:00 p.m. Pacific Time, Monday through Friday.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
