**Sealing of F-Trim on Dinette or Galley Slide Out Boxes in certain
2014 Allegro Motorhomes**

March 21, 2014

Dear Tiffin Customer/Dealer,

Tiffin Motorhomes has found that certain 2014 Allegro Motorhomes need to have the trim that is on the top of the dinette and/or galley slide out boxes sealed. We have enclosed the instructions for this repair with this letter. We are allowing 45 minutes per slide out for the repair to be completed.

Please take this letter and the instructions with you to the service center or dealer to have the repair completed. This letter should be filled out by the dealer and returned with their invoice for payment.

We regret any inconvenience this action may cause, but feel certain you understand our interest in the continued maintenance of your motorhome.
