ONLINE AUTOMOTIVE SERVICE INFORMATION SYSTEM FOR FEBRUARY 2014

44405 2014 Transit Connect - License Plate Bolts And/Or Screws Missing At Delivery

Some 2014 Transit Connect vehicles may be missing the front license plate screws and rear license plate bolts at delivery. To attach the front license plate, use 2 self-tapping screws from hardware kit 6C3Z-17A386-AA. To attach the rear license plate, use 2 bolts from W505574-S437. Submit a 'parts only' misbuilt claim.
