44397 2012-2014 Focus Electric - Stop Safely Now Message and/or Wrench Lamp illuminated with Diagnostic Trouble Code (DTC) P0AA6

Some 2012-2014 Focus Electric vehicles may exhibit a Stop Safely Now message in the instrument cluster and/or the Wrench Lamp illuminated accompanied by DTC P0AA6 for an EV Battery System Isolation Fault in the Battery Energy Control Module (BECM). Prior to performing any pinpoint tests or replacing any components, contact the Technical Hotline for additional diagnostic assistance.
