Important

Subject: F56 Shock Absorber Rear Axel M33 01 14 Released

To: All MINI Parts Managers, Service Managers, Service Advisors and Shop Foreman,

SI M33 01 14 has been posted to TIS with instructions on performing the campaign for the shock absorber rear axel. A copy of that SI M has been attached for your convenience.

Please contact your market team if you have any additional questions or concerns.

Randal Ellis

Quality Analysis and Reporting Manager
