**Background**

American Honda (AHM) is investigating certain 2015 Fits with a loose, misplaced or missing fuse discovered at the time of PDI or a customer complaint with a symptom which has resulted from a loose, misplaced or missing fuse. To fully understand the cause of this condition, AHM would like to collect pertinent information from the vehicle prior to you attempting a repair of any kind.

**Action Required**

If you have or know of such a vehicle, please call Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
