INFORMATION
BMW of North America, LLC (“BMW NA”) is extending the limited warranty for the Supplemental Restraint System’s (SRS) front passenger air bag seat occupancy sensor (OC3) mat on certain model BMW vehicles to:

15 years without mileage limitation as determined by the vehicle’s original in-service date.

This “component-specific” limited warranty extension applies to defects in materials and workmanship.

This bulletin is notice of a “limited warranty extension.” This is NOT a notice of a Recall or Service Action.

No immediate repair is required unless the BMW vehicle is currently experiencing this problem.

This extended limited warranty coverage does not apply to vehicles affected by the following Recall Campaign:

<table>
<thead>
<tr>

</tr>
<tr>
<td>SI B65 08 14</td>
<td>Recall Campaign 13V-564: Replace Front Passenger Air Bag Seat</td>
</tr>
</tbody>
</table>
The extended limited warranty coverage also **does not** apply to:

- Vehicles with other seat options, and
- E60 (M5) vehicles

**Note:** Please refer to SI B65 75 06 for the limited warranty extension information that applies to previous models.

**Customer Notification Letter – VIN and Component-specific Warranty Extension**

Even though this is **NOT** a Recall, BMW NA sent VIN-specific customer notification letters the week of August 11, 2014. A sample letter is attached.

**Eligible BMW Vehicles**

To assist you in identifying the eligible vehicles, the DCSnet Warranty Vehicle Inquiry has been updated with the “Vehicle Comment” shown below:

</tbody>
</table>

The existing limited warranty coverage for all other parts **has not** changed.

---

**Parts Information**

Please refer to the Electronic Parts Catalog (EPC/ETK), using the customer’s VIN to locate the replacement part numbers.

**Note:** Only order the necessary parts, in the quantities needed, for customers’ vehicles that have confirmed failures.

Also refer to EPC and the Repair Instructions for one-time use fasteners and/or component information.

**Warranty Information**

The Supplemental Restraint System’s (SRS) front passenger air bag seat occupancy sensor (OC3) mat limited warranty extension to 15 years without mileage limitation applies to “eligible BMW vehicles” that are registered and operated in all 50 states (including Puerto Rico).

This component-specific extended limited warranty coverage is transferable.
Should the front passenger air bag seat occupancy sensor (OC3) mat fail again, the seat occupancy sensor mat is covered by the remaining portion of the extended limited warranty coverage period.

Claim this work with the defect code and labor operations provided below.

If you are using a Main labor code for another repair, use the corresponding Plus code labor operation 00 58 528, 00 58 529 or 00 58 530 instead.

Refer to KSD2 for the corresponding flat rate unit (FRU) allowance. Enter the Chassis Number, which consists of the last 7 digits of the Vehicle Identification Number (VIN). Click on the “Search” button, and then enter the applicable flat rate labor operation in the FR code field.

**E60, E61, E90 and E91**

If a vehicle control module or component was working properly and/or had no related faults stored prior to vehicle programming and it fails to program correctly and/or requires initialization, this additional work must be claimed with separate labor operations under the defect code listed above, refer to KSD2.

Repairs to address control modules and/or components with pre-existing conditions are not eligible to be claimed under the defect code listed in this bulletin.

**Previous Customer-pay Repair Reimbursement – Limited Warranty Extension**

As provided and outlined in the “Customer Notification” letter, under this extended limited warranty, BMW of North America, LLC will provide reimbursement for eligible customer-pay repairs that were performed prior to the release of the customer notification.

For a customer to request reimbursement for an eligible previously paid repair performed by either an authorized BMW center or independent repair shop, please have him/her submit his/her reimbursement request online at [www.BMW-RP.com](http://www.BMW-RP.com).

This website provides information regarding the required supporting documentation and alternative methods to submit a reimbursement request.

Note: The above procedure **only applies** to the prior customer-pay reimbursement requests on vehicles that are eligible for the extended limited warranty coverage.

This “Important Limited Warranty Information” applies to the BMW vehicle with the Vehicle Identification Number (VIN) of WBANB535X0.

Dear BMW Owner/Lessee:

BMW is committed to delivering the ultimate in product satisfaction to our customers.

Towards that end, BMW is extending the limited warranty for the Supplemental Restraint System’s (SRS) front passenger air bag seat occupancy sensor (OC3) mat on the above referenced vehicle to:

15 years without mileage limitation, as determined by your vehicle’s original in-service date.

This “component-specific” limited warranty extension applies to defects in materials and workmanship and is transferable to any subsequent purchaser of your BMW vehicle.

This is notice of a “limited warranty extension” only. This is not a notice of a Recall or Service Action.

If a repair is required during the extended limited warranty coverage period, eligible work performed by an authorized BMW center in the United States (including Puerto Rico) will be completed free of charge.

In the event your vehicle’s Supplemental Restraint System/Air Bag malfunction indicator is illuminated, please contact your nearest authorized BMW center in the U.S or Puerto Rico to schedule an appointment for inspection, diagnosis and repair.

Your authorized BMW center will review the scope of repair covered by the limited warranty extension. Diagnosing and repairing other unrelated issues is not covered under this warranty extension.

The integrity of our products is essential to BMW’s success and our customers’ trust. We are determined to exceed your expectations and hope this warranty extension further enhances your ownership experience.

Sincerely,

BMW of North America, LLC

Previous Customer-pay Repair Reimbursement – Documentation Checklist

BMW of North America, LLC

Reimbursement is available to the BMW Owner/Lessee who incurred the expense.

When submitting a reimbursement for a previous repair, please provide legible copies of the following documentation and include your VIN, name, address and your preferred contact telephone number(s):

**Repair Order (RO) or Invoice**

This document should include the following information:

- Customer name and address
- Vehicle Identification Number (“VIN”)
- The date of repair
- The mileage when the repair was performed
- Itemized breakdown of the labor charges for all repairs* including diagnosis
- Itemized breakdown of the parts, including any miscellaneous items, billed for all repairs*

*For repair orders containing multiple repair line items, only the specific line item expenses that relate to the component that is covered by this extended limited warranty will be considered for reimbursement.

**Proof of Payment**

Please provide a copy of at least one of the following items as valid proof of payment:

- Repair order (RO)/invoice stamped and dated as “PAID”
- Copy of a cancelled check
- Copy of a signed credit/debit card receipt
- Copy of a credit/debit card statement

**Determining a repair’s eligibility for reimbursement:**

Please use the following questions to review your repair order documentation prior to submitting a reimbursement request:

1. Why was the vehicle brought into the repair facility?

2. What was the repair facility’s diagnosis?

3. What did the repair facility do to correct the concern?
