STOP SALE NOTICE: 2014 NC700X/XD

Dear Honda Powersports Dealer:

Honda is launching a Product Update Campaign to replace the combination meter on all 2014 model year NC700X and NC700XD motorcycles. The trip meter reading of the combination meter may display mileage that is less than the actual mileage. Also, the fuel consumption display may not reset.

Effective immediately, YOU MUST NOT SELL any NEW or USED 2014 NC700X/XD until it is updated according to the Service Bulletin procedure. Please note that some affected units in your inventory may have been factory repaired.

- To search for applicable service campaigns on a specific unit, use *Unit Information* on **IN**.
- To manage your affected inventory, use *eResponsibility Report* (effective 11/22/14).

AFFECTED UNITS**2014 NC700X:** All**2014 NC700XD:** All**SERVICE BULLETIN**

American Honda has published the Service Bulletin *NC700X/XD #2* which includes repair instructions, warranty claim information, as well as parts information for this Product Update Campaign. Click the link below to view the bulletin.
