44736 2012-2014 Focus 2.0L GDI - Diagnostic Trouble Code (DTC) P0217 - Updated Workshop Manual Diagnostics

Some 2012-2014 Focus vehicles equipped with a 2.0L Gas Direct Injection (GDI) engine may exhibit DTC P0217. Use the online version of the Workshop Manual (WSM) to diagnose the concern. The pinpoint test for DTC P0217 (Engine Cooling Over Temperature Condition) has been updated in WSM Section 303-03A.
