Q1: Is this a recall?

A1: No. This is not a recall. At Lexus, we are dedicated to providing vehicles of outstanding quality and value. Lexus is advising you of an upcoming Enhancement to the Warranty Coverage to assure you that we stand behind the product.

Q2: Why will Lexus be offering this Warranty Enhancement Program?

A2: Lexus has received reports indicating that under certain circumstances, the combination of high humidity and high temperatures may cause the surface of the Dashboard and front and rear interior door panel(s) in certain vehicles to become cracked and/or sticky/melted over time. Lexus has decided to provide this Warranty Enhancement Program in the interest of customer satisfaction.

Q2a: Why is Lexus notifying me if there are not sufficient parts to support vehicle repairs at this time?

A2a: At this time Lexus is providing the means for you to seek reimbursement consideration in the event that you paid for previous repairs related to this condition. Lexus is also explaining that if this condition currently exists for your covered vehicle, you may seek replacement at no cost once sufficient parts have been prepared and obtained.

Q2b: When does Lexus anticipate the second owner notification letter will be sent?

A2b: Due to current production capacity, Lexus anticipates that a second letter notifying owners that repairs are ready to be performed will begin to be sent in Spring, 2015. We ask that you wait until this second owner notification letter is received before seeking replacement for this cosmetic condition at no cost to you.

Q2c: Can I be reimbursed for what I previously paid to repair a cracked and/or sticky/melting Dashboard and/or front and rear interior door panel(s)?

A2c: Yes, at this time Lexus is providing the means for you to seek reimbursement consideration in the event that you paid for previous repairs related to this condition.

Q3: What should I do if my vehicle's dashboard and/or front and rear interior door panel(s) is cracked and/or sticky/melting?

A3: Due to limited parts availability at this time, it is not possible for Lexus to immediately replace affected Dashboards and/or front and rear interior door panel(s) for vehicles covered under this Warranty Enhancement. We will send you second owner notification letter as soon as sufficient parts have been prepared and obtained to repair this cosmetic condition for affected vehicles. Replacement of Dashboards and/or front and rear interior door panel(s) under this Warranty Enhancement can be completed after receiving the second owner notification letter.

Q4: Is the Warranty Enhancement Program coverage transferable if I sell my vehicle?

A4: Yes, this Warranty Enhancement coverage is fully transferrable to subsequent vehicle owners for the condition and terms specified in the notification letter.

Q5: What if I have additional questions or concerns?

A5: Owners with additional questions or concerns are asked to please contact the Lexus Customer Assistance Center at 1-800-255-3987 Monday through Friday, 5:00 am to 6:00 pm, or Saturday 7:00 am through 4:00 pm Pacific Time.
