SUBJECT: INTRODUCTION TO THE K900 INSPECTION AND DELIVERY FOLDER AND ENVELOPE		

In an effort to help maximize customer satisfaction and promote a great sales delivery, Kia Motors America is pleased to introduce the new K900 Inspection and Delivery Folder and the K900 Inspection and Delivery Folder Envelope. These materials will be port installed and can be located in the glove box of every new K900.

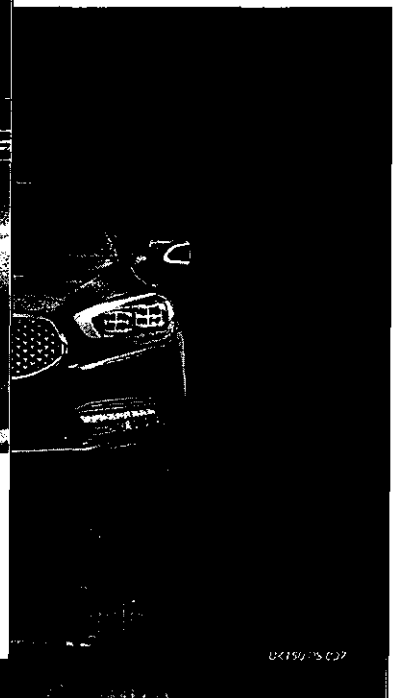

K900 Inspection and Delivery Folder (For Dealer):

The Pre-Delivery Inspection (PDI) form was created specifically for the K900 and features a more in-depth inspection procedure. With this in mind, it is important to pay close attention when performing the PDI. Follow and complete each of the steps in a thorough and accurate manner.

K900 PDI Forms:

Perform each of the steps called out in the PDI forms (1-A, 1-B, 1-C and 1-D), the Customer Vehicle Delivery Worksheet (2) and the Warranty Service at Authorized K900 Kia Dealers (3) in a thorough and accurate manner. **NOTE: The Customer Vehicle Delivery Worksheet (2) and the Warranty Service at Authorized K900 Kia Dealers (3) are to be completed at the time of sales delivery.**

K900 Inspection and Delivery Folder (For Customer):

Additionally, the K900 Inspection and Delivery Folder Envelope provides an organized location for customer copies of each form. During sales delivery, neatly remove the top copy of each form, fold and place inside the K900 Inspection and Delivery Folder Envelope, as shown below. Personalize the folder by writing the customer's name on the front and place it in the customer's Owner's Manual Portfolio.
