SUBJECT: Service Campaign TT7 - ECM Update - 2014 Genesis Coupe
3.8L DTC P0019/P0024 (TSB# 14-01-029)

Hyundai Motor America is conducting a Service Campaign to update the ECM software on certain 2014 Genesis Coupe 3.8L vehicles built with Delphi camshaft sensor. Service campaign TT7 provides a procedure to update the ECM software.

In order to identify only those vehicles affected by Service Campaign TT7, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign TT7.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - DEALER STOCK and RETAILED.

TSB #14-01-029 is available on HMAService.com as of 07/08/2013. It contains instructions on performing the service and submitting the campaign claim.

Applicable software for this campaign is available on Hyundai's Service Website.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.

LEGAL LIABILITY NOTICE: You are required to keep confidential any and all information and documents provided to you by Hyundai Motor America in the conduct of carrying out work for this service campaign. Hyundai Motor America dealers may use owner information provided for the campaign only for the purpose of conducting and performing this service campaign, and for no other purpose.

Hyundai appreciates your cooperation and support. Questions may be directed to your District Parts and Service Manager or Warranty HELPREP line at 1-877-446-2922.
