## Technical Service Bulletin

GROUP	NUMBER
SUSPENSION	14-SS-003
DATE	MODEL(S)
NOVEMBER 2014	SANTA FE SPORT (AN)

**SUBJECT:** 2015MY (AN) SANTA FE SPORT TPMS WARNING LIGHT ON WITH SHIPPING SWITCH IN THE "OFF" POSITION

**Description:** This bulletin provides TPMS information for 2015MY Santa Fe Sport (AN) vehicles. The TPMS warning lamp may be illuminated when the shipping switch is in the "OFF" position. This is a normal condition for the 2015MY Santa Fe Sport (AN).

**Applicable Vehicles:** 2015MY Santa Fe Sport (AN) vehicles.

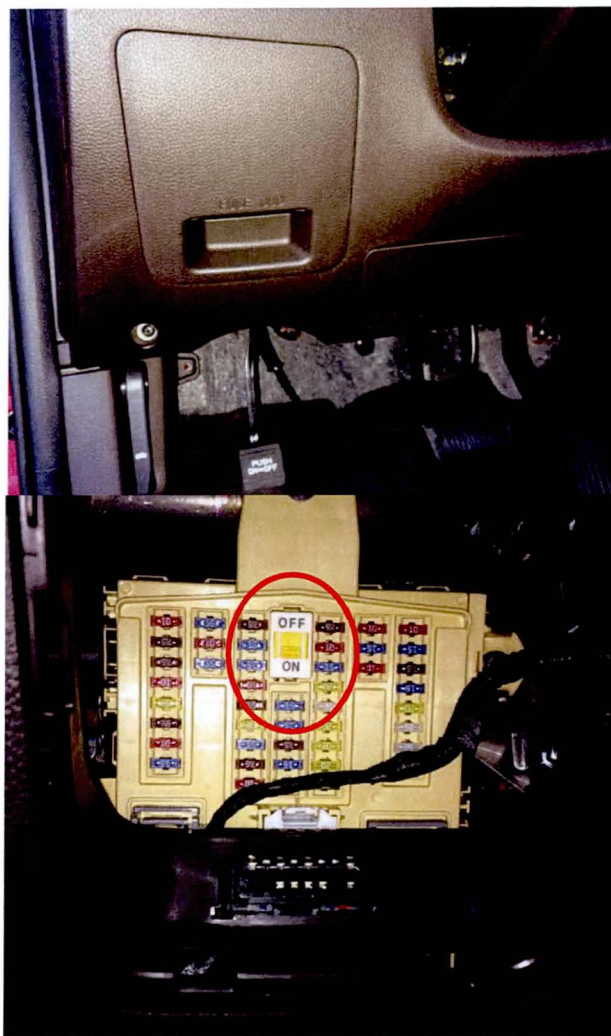

**Warranty Information:** Normal warranty applies.

### NOTICE

Any repairs attempted when the shipping switch is in the "OFF" position for TPMS light being illuminated will be subject to warranty chargeback.

**Service Procedure:**

1. Locate and remove the fuse panel cover on the lower left area of the dash. The shipping switch is behind the cover. Turn the fuse switch to "ON."

2. Set the (cold) tires to the pressure indicated on the tire placard sticker.
3. Drive the vehicle above 15 mph for 3 minutes.
4. The TPMS warning lamp should turn off.

If it remains illuminated, inspect the vehicle for TPMS concerns as per normal service procedures.
