**Cargo Mat (RPO VL1)**

It has been determined that Corvette Cargo Mat (VL1) is not designed for the Corvette Convertible. The restriction has been added to the cargo mat to prevent this situation in the future. Engineering is investigation designing a cargo mat for the Corvette Convertible.

Orders have been cancelled for this vehicle combination. Vehicle Invoice updates have been requested and will be reprinted for dealerships.

If have a vehicle, where the vehicle invoice does not appear to be updated: please confirm invoice is up to date with your sales manager. If you still need assistance, contact your ADI and provide them the VIN. We will confirm and correct as required.

If a vehicle was sold prior to the vehicle invoice being updated, instruct the dealership to have their Sales Manager contact their District Sales Manager for a Sales Policy Adjustment for the customer.
