#### 94 Repair Authorization - Side mirror turn signal inoperative

94 14 40 2037159/1 May 7, 2014.

Model(s)	Year	VIN Range	Vehicle-Specific Equipment
A4	2014	All	Not Applicable
A5	2014	All	Not Applicable
A5 Cabriolet	2014	All	Not Applicable

## Condition

- There is a mirror turn signal warning displayed in the driver information system.
- The turn signal inside of the mirror housing may be inoperative.
- No signs of physical damage can be seen on the mirror turn signal, cap, base, or glass.
- One of the following DTCs may be present:
  - **DTC VAG00109** (Driver side exterior mirror turn signal lamp -L131) in the driver door control module, J386 (address word 42).
  - **DTCVAG00110** (Passenger side exterior mirror turn signal lamp -L132) in the front passenger door control module, J387 (address word 52).

#### **Technical Background**

Various parts have been replaced under warranty for the condition noted above, but no issues were identified with these parts. In an effort to gain information on the DTC codes listed above, we are asking you to contact the Audi Technical Assistance Center (TAC) before replacing any parts. This will assist us in diagnosing any potential issues with the condition noted above.

#### **Production Solution**

No changes to production have been made, as no issue has been identified.

#### Service

Audi of America is requesting your cooperation in supplying us with technical information regarding this condition.

- 1. Verify the condition. Do not dissemble the mirror or door panel.
- 2. If the vehicle is within the New Vehicle Limited Warranty, contact a TAC consultant before performing any repairs. Attach the DTC and diagnostic log to the TAC ticket.
